ABOUT FCCi

Federal and Commercial Contracts, Inc. (FCCI) provides government consulting and support for firms seeking to conduct business with the federal government. FCCi has expertise in developing procurement vehicles based on government Small Business Programs. Partnering large firms with small business firms based on the Federal Acquisition Regulations (FAR) and Code of Federal Regulations (CFR) is a key area of focus for FCCi. Increasingly, schools, hospitals and corporations are seeking business-oriented solutions to including diverse suppliers in procurement programs in a way that makes sense for all involved! FCCi has developed a number of approaches that produce a win-win for the large business, the small business and the customer.
