***2016 Scholarship Program and
Update on the Coast Guard Base Los Angeles/Long Beach
Mission and Upcoming Projects and Mission***

Speaker: LT John Waters, Facility Engineer
US Coast Guard, Los Angeles/Long Beach

Come join us for our annual Scholarship Program, where we present awards to the fine college students selected for their outstanding scholastic achievements in the science, math, and engineering fields.

We are pleased to announce that the proceedings will be overseen by LT John Waters, Facility Engineer, US Coast Guard, Los Angeles/Long Beach. LT Waters will describe the current USCG organization and mission in LA/LB; present the plans for future changes and expansions; and provide information on the upcoming construction projects that the USCG is planning in support of their mission.
