AGENCY: Office of the Under Secretary for Economic Affairs, U.S. Department of Commerce.

ACTION: Request for information.

SUMMARY: In accordance with the Foundations for Evidence-Based Policymaking Act of 2018 (the Evidence Act), Public Law 115–435,¹ the Department of Commerce has developed a draft Learning Agenda for FY 2022 to FY 2026. The Learning Agenda lists significant priority evidence/evaluation questions that will be researched over the next four years to help achieve the Department’s Strategic Objectives. Research questions in the plan cover a broad range of topics reflecting the wide-ranging authorities and programs across the Department. - Strategies to best engage with underserved communities and populations on research methodology
- Data sets maintained by states, localities, regional organizations, or non-profits that could support the research
- Recent significant research most relevant to the Learning Agenda questions

The information provided will be used to develop and refine the approach used to conduct research. This includes identifying organizations and individuals who will be included in focus groups.
