

Heidi Sheppard, Advisor for Technology Collaborations
National Institute of Standards and Technology Manufacturing Extension Partnership

Heidi Sheppard serves on the Partnership Team at the National Institute of Standards and Technology's Manufacturing Extension Partnership (MEP) developing strategic partnerships and making connections that further MEP's mission. She is the lead for the Advanced Manufacturing Jobs and Innovation Accelerator Challenge grant and the Interagency Network for Enterprise Assistance Providers, the network of Federal Agencies which meet monthly to exchange information, find partners and provide information on partnership opportunities. Prior to MEP, Heidi was the Senior Manager for the Business Incubation Program at the Maryland Technology Development Corporation, growing and strengthening the incubator network in the State. Heidi also worked for two Small Business Development Centers, as the Director of the Loudoun County SBDC in Northern Virginia and as the Assistant Director of the SBDC in Louisiana. She has owned her own manufacturing company- Endless Pastabilities- and has an MBA from the University of Wisconsin-Madison.
