

U.S. MBEs' Exports Span the World

MBE Export Activity Measured by U.S. Export Import Bank's Authorized Financial Transactions, 1992-2009

- Minority business enterprises (MBEs) export activity spanned 41 countries, according to data from the U.S. Export Import Bank on export activity between 1992 and 2009. These data are not comprehensive of all MBE export activity.
- **Mexico, Brazil, and Dominican Republic are the top three markets for MBE export activity**, accounting for 52% of all export sales guaranteed or insured by the U.S. Export Import Bank where foreign markets were identified.
- **MBEs exported to China, Brazil, India, Colombia, Turkey, Saudi Arabia and Indonesia** -- high growth and emerging markets identified under the President's National Export Initiative, which calls for doubling U.S. exports in five years.
