

Doing Business in Japan

Thursdays, January 12 & 26, from 10am-12pm

SoBRO Center, 555 Bergen Avenue, 3rd Floor, Bronx, NY 10455

"More than 10% of foreign direct investments come out of New York"

Hear from an independent contractor and national advisor to the Japan External Trade Organization (JETRO) on investment & trading opportunities in various areas of industries within Japan.

JETRO is a government related organization focused on promoting foreign direct investment into Japan and technological alliances between Japanese companies and other companies.
