SoBRO Center, 555 Bergen Ave, 3rd Floor Bronx, NY 10455

## About the Port Authority of NY & NJ:

The Port Authority of New York & New Jersey conceives, builds, operates and maintains infrastructure critical to the New York/New Jersey region's trade and transportation network. These facilities include America's busiest airport system, marine terminals and ports, the Path Rail Transit System, have six tunnels and bridges between New York and New Jersey, the Port Authority Bus Terminal in Manhattan, and the World Trade Center.

The Port Authority of New York and New Jersey works with hundreds of minority, women-owned, small, and disadvantaged businesses each year procuring goods and services, construction, architectural and engineering work. We encourage you to visit our website to view the list of disciplines and expertise we are seeking for our major capital projects and make sure there is a match between the services your firm offers and what the agency procures.
