

ANNOUNCEMENT OF FEDERAL FUNDING OPPORTUNITY

EXECUTIVE SUMMARY

Federal Agency Name: Minority Business Development Agency (MBDA/Agency)

Funding Opportunity Title: MBDA Business Center – American Indian and Alaska Native Program

Announcement Type: Initial Announcement

FFO Number: MBDA-OBD-2013-2003740

CFDA Number: 11.804, MBDA Business Center – American Indian and Alaska Native Program

Dates: A completed application must be transmitted and time-stamped at www.Grants.gov no later than **11:59 p.m. Eastern Daylight Time (EDT) on June 22, 2013**. Applications received after the closing date will not be considered. Anticipated time for processing awards is approximately eighty (80) days from the closing date for receipt of applications. MBDA anticipates awards will be made with a start date of September 1, 2013.

Funding Opportunity Description: This Federal Funding Opportunity (FFO) announces the anticipated availability of funding for the MBDA Business Center – American Indian and Alaska Native program, and solicits competitive applications for operators of MBDA Business Centers – American Indian and Alaska Native in one location. The services provided will be implemented to generate increased financing and contract opportunities and related awards to minority business enterprises (MBEs). In addition, the services provided will assist MBEs to create and retain jobs.

MBDA intends to award one (1) cooperative agreement pursuant to this FFO. The total award period for the MBDA Business Center – American Indian and Alaska Native project is expected to be four (4) years. The specific location and funding amount for the MBDA Business Center – American Indian and Alaska Native project is detailed in the table below and in Appendix A of the full text of the announcement.

MBDA will fund the financial assistance award for the project identified in this FFO for a total of \$255,000 in FY 2013. Funding for future years of this program has not yet been appropriated. The Agency also anticipates that \$255,000 will be available in FY 2014 through FY 2016 to support continuation funding for this project.

Note: The MBDA Business Center – American Indian and Alaska Native program is not a grant program to start or to expand an individual business. Applications under this FFO must be to operate an MBDA Business Center – American Indian and Alaska Native and to provide business consulting services to eligible minority-owned firms as set forth in this FFO. Applications that do not meet these requirements will not be considered by MBDA for funding.

In accordance with Executive Order 11625 and 15 U.S.C. § 1512, MBDA is soliciting competitive applications from eligible organizations to operate a MBDA Business Center – American Indian and Alaska Native in the following locations:

| MBDA Business Center Location (State, City) | Federal Funding Years 1-5 | Competition ID# |
|--|--------------------------------------|------------------------|
| One of the following cities: Bridgeport, Connecticut Buffalo, New York Green Bay, Wisconsin Jackson, Mississippi Milwaukee, Wisconsin Portland, Oregon | \$255,000 | 2431373 |

*Applicants are required to choose one location from among the specific cities listed. Only one location may be proposed within an application. The application must clearly identify which location was chosen. Applicants are limited to submitting one application per Competition ID.

Application Submission: Applications must be submitted electronically and time-stamped at www.Grants.gov by the closing date and time. MBDA will not accept hard-copy, facsimile or email transmission of applications. *See* section IV., Application Submission Information.

Pre-Application Teleconference: MBDA will conduct a pre-application teleconference on **June 4, 2013**. The time of the pre-application teleconference has yet to be determined. Participants must register at least 24 hours in advance of the conference. Please visit the MBDA Internet Portal at www.mbda.gov for more information.

FULL TEXT OF ANNOUNCEMENT

I. Funding Opportunity Description

A. Program Objective

1. Introduction

The Minority Business Development Agency (MBDA) is the only federal agency created specifically to foster the full participation and entrepreneurial parity of minority business enterprises (MBEs) in our national economy. MBDA actively promotes the growth and global competitiveness of U.S. businesses that are minority-owned by offering strategic deal-making and business consulting services through a nationwide network comprised of MBDA staff and the MBDA Business Center program funded by the Agency.

The MBDA Business Center – American Indian and Alaska Native program is a key component of MBDA’s overall portfolio of minority business development services, focusing on securing large public and/or private contracts and financing transactions, stimulating job creation and facilitating entry to global markets for “eligible minority-owned businesses.” For this purpose, business concerns that are owned or controlled by the following persons or groups of persons are eligible to receive business assistance services under the MBDA Business Center program: African Americans, Hispanic Americans, Asian and Pacific Islander Americans, Native Americans (including Alaska Natives, Alaska Native Corporations and Tribal entities), Asian Indian Americans and Hasidic Jewish Americans. *See* 15 CFR § 1400.1-.2 and Executive Order 11625. MBDA considers the term Minority Business Enterprises (MBEs) to encompass businesses owned or controlled by members of these groups. Although, the MBDA Business Center – American Indian and Alaska Native program serves the specific ethnic groups listed above, these Centers are designed to target American Indian and Alaska Native business enterprises.

2. Program Overview

The primary drivers of the MBDA Business Center – American Indian and Alaska Native (hereafter known as the “MBDA Business Center”) program are job creation and retention and the award of procurement/contract and financial transactions to MBEs. The MBDA Business Centers provide services including, but not limited to: the development of a pool of contract and finance opportunities; direct matching of opportunities with qualified/vetted MBEs; execution of relationship management and deal sourcing initiatives (such as but not limited to industry clusters); assisting MBEs in accessing global market opportunities and financing; identification and securing of alternative sources of capital for MBEs; promotion of the advantages of achieving size and scale; educating MBEs on the benefits of strategic growth alternatives (*e.g.*, mergers, acquisitions and/or joint ventures); and provision of service referrals to MBEs of all sizes.

Through the cooperative agreement expected to be awarded under this FFO, MBDA seeks to establish a national network of public-private partnerships that will provide services aimed at achieving significant growth for minority-owned firms. MBDA

Business Center and MBDA staff will work collaboratively to improve access to market and financial opportunities (domestic and global), foster key industry relationships, and leverage business expertise. The operator of the MBDA Business Center project will work with the Agency and its network of funded centers to support and enhance the Agency's initiatives, performance, brand, reach, customer service, and establishment of strategic partners.

The successful applicant will possess experience in assisting minority firms in obtaining large scale procurements/contracts and financing awards; accessing established supply chains; educating and assisting minority firms in joint ventures, teaming arrangements, mergers and acquisitions; and facilitating entry and large scale transactions in global markets. It is also anticipated that the mission of successful applicant organization will align with both the mission of MBDA and the MBDA Business Center program objectives.

MBDA Business Center services are targeted towards assisting MBE clients to achieve higher levels of growth and competitiveness. Start-up and/or micro firms will be served by the MBDA Business Center program via strategic partnership referrals or electronic service delivery mechanisms (*e.g.*, MBDA Business Portal). While the MBDA Business Center program serves all MBEs, target clients include eligible MBEs with one or more of the following characteristics: (1) annual revenues of over \$1,000,000; (2) participant in a high-growth industry (*e.g.*, green technology, clean energy, health care, infrastructure and broadband technology, among others); (3) export capacity or potential; or (4) a tribally owned business. Promoting the success of MBEs is anticipated to have a significant impact on employment and the tax base in their communities.

Each MBDA Business Center is part of a broader MBDA network and must be able to collaborate with both Agency staff and other funded centers. MBDA anticipates that each MBDA Business Center will, to the best of its abilities, provide services through virtual communications to eligible firms that are too far away to service directly. The physical location for this MBDA Business Center is outlined in Appendix A of this FFO.

Although an MBDA Business Center must have a physical office location as designated by MBDA within this announcement, an MBDA Business Center may serve MBEs nationwide.

3. General Program Requirements

The MBDA Business Center program requires project staff to: (1) directly provide high-level business development services to eligible MBEs; (2) develop and maintain a network of strategic partnerships; (3) provide collaborative consulting services with MBDA, other MBDA funded programs and strategic partners; and (4) provide referral services to clients. The MBDA Business Center will assist eligible MBEs in accessing federal and non-federal contracting and financing opportunities (domestically and globally) that result in demonstrable client outcomes and job creation/retention.

MBDA has developed a variety of information technology tools to augment the Agency's ability to assist the minority business community. The Agency uses a high-speed

network strategy that links all of its funded projects into a single virtual organization. All funded projects will have access to this technology through the MBDA Business Portal (www.mbda.gov). MBDA Business Center operators and staff are required to attend designated MBDA training programs, designed to increase operational efficiency and provide value-added client services (*See* Appendix E, “Center Training Requirements”).

4. Program Details and Work Requirements

The MBDA Business Center is required to perform work in three basic areas: (1) client services; (2) program promotion and advocacy; and (3) operational and performance management. These elements are designed to: (1) identify immediate and long-term client needs and expectations; (2) establish projected growth tracks; (3) implement targeted plans of action for increasing size, scale and capacity; (4) provide strategic referrals; (5) increase the exposure and visibility of the MBDA Business Center program and MBEs; (6) maintain the quality of center operations; and (7) promote achievement of client outcomes.

a. Client Services – The MBDA Business Center shall assist eligible MBEs (which have agreed in writing to become MBDA Business Center clients) in successfully growing their businesses and competing in domestic and global markets. MBDA Business Centers shall provide direct client assistance to MBEs through business consulting, Business-to-Business (B2B) Linkage Forums, relationship brokering, strategic referrals and deal-making.

All new clients and related work efforts shall be entered into MBDA’s Customer Relationship Management (CRM)/Performance system. The MBDA Business Center is required to enter client information, service effort and description, awarded transactions and job creation/ retention into the CRM/Performance system within seventy-two (72) hours from the time of service.

Client services include, but are not limited to, the following types of assistance:

- i. Client Assessment and Engagement** – Client assessment and engagement is a fundamental MBDA Business Center business practice and is expected to be conducted prior to the onset of service delivery. A client assessment requires an interview to be completed between the prospective MBE client and an MBDA Business Center employee or representative. The MBDA Business Center will ensure that a written agreement is executed with each client that specifies services to be provided. This engagement must be individually tailored to the specific needs of each client and include a course of action for assisting the client in reaching its strategic growth goals. In the case of group events, a summary engagement can be provided to the prospective MBE client. Client assessment and engagement services are designed to provide:
- Background and contact information on the client;
 - Client business analysis that includes core competency, organizational structure, market and industry placement, production of products/delivery of services, marketing plan, resources and financial viability;

- Analysis and benchmarking of the client capabilities;
- Development of a tailored service plan; and
- Identification of resources and referrals, used in conjunction with MBDA Business Center direct assistance.

MBEs that receive referral services only do not require written client assessments or work agreements. The MBDA Business Center must ensure that MBE intake information is accurately recorded in the MBDA CRM system.

ii. Access to Markets - These activities, aimed at increasing MBE revenue growth, include, but are not limited to:

- Identifying procurement opportunities based on client needs, and sourcing deals;
- Developing and maintaining strategic alliances with purchasing executives and government procurement officials;
- Engaging in deal-making between purchasing organizations and minority firms, and assisting in bringing transactions to closure;
- Conducting B2B forums, procurement/contract matchmaking events, opportunity fairs and networking events between MBEs and potential contract sources;
- Educating and assisting in the development of joint ventures, teaming arrangements, strategic alliances, and mergers and acquisitions;
- Solicitation analysis and bid/proposal preparation assistance;
- Identifying potential export markets, facilitating global transactions and providing referrals to international trade programs and services; and
- Conducting market analysis and market promotion assistance.

iii. Access to Capital - The goal of the access to capital activities is to help entrepreneurs obtain appropriate financing for business growth. Activities in this area include, but are not limited to:

- Identifying financing opportunities based on client needs, and sourcing deals;
- Developing and maintaining strategic alliances with banking officials and other financial resources;
- Brokering of financial transactions by establishing relationships between pre-qualified clients and sources of financing;
- Providing financing assistance such as, identification, preparation and packaging of standard commercial and alternative debt, bonding, leases (property and equipment), equity, mezzanine financing, factoring and trade credits;
- Identification and closure of opportunities for mergers and acquisitions;
- Conducting financing forums and networking events between MBEs and potential financing sources; and
- Conducting cost analysis.

iv. Strategic Business Consulting - This activity involves providing tailored business consulting services directed towards assisting MBDA Business Center clients to achieve higher levels of growth and competitiveness. Strategic business consulting services include, but are not limited to the following:

- Marketing, for example, market research, promotion, advertising and sales, sales forecasting, market feasibility studies, pricing, product and customer service, brochure design;
- Financial Management, for example, capital budgeting, general accounting, break-even analysis, cost accounting, financial planning and analysis budgeting, tax planning, business consulting (excluding bookkeeping, tax preparation, and audits);
- Operations and Quality Management, for example:
 - Manufacturing - facility lease;
 - Construction - estimating, bid preparation, and bonding;
 - International Trade Assistance - exporting, importing, letters of credit, bank draft, distributorship, exporting trading companies, and joint ventures;
- General Management, for example, organization and structure, formulating corporate policy, feasibility studies, legal services (excluding litigation), business planning, and organizational development.

The MBDA Business Center shall not perform or engage in the day-to-day operations of, or make decisions for, its clients.

b. Program Promotion and Advocacy – The MBDA Centers are designed to promote MBDA program activities within the business community, facilitate the identification of potential clients, and to identify and develop public and private sector resources and business opportunities for clients.

- i. Market Research and Development** - The Center will systematically investigate the market (locally, statewide, nationwide and globally) to determine what business and capital opportunities exist for MBE development, contract opportunities, and business acquisitions. The MBDA Business Center will make optimum use of the MBDA network to ensure that the information is made available to MBEs throughout the country.
- ii. Program Promotion** - The MBDA Business Center will increase minority business development by obtaining support for the program and promoting the utilization of MBEs.

The MBDA Business Center will: (1) develop a MBDA Business Center brochure for distribution; (2) develop a MBDA Business Center directory of staff and services offered for inclusion on the MBDA Portal; and (3) adhere to MBDA’s communication plan (*See* “Operational Quality,” under this section).

- The MBDA Business Center shall promote and participate in the National Minority Enterprise Development (MED) Week activities and other events as

detailed in Appendix E, “Center Training Requirements.”

- The MBDA Business Center shall participate in and support designated Business-to-Business (B2B) Linkage Forums during the award period. The objective of the B2B is to build MBE capacity to compete for larger awards and in turn increase MBDA Business Center performance.

iii. BusinessUSA - If and when requested by MBDA, the MBDA Business Center must provide support services to BusinessUSA. BusinessUSA is a one stop portal with information on Federal programs and services related to business, and can be accessed through the BusinessUSA.gov web portal. Participating agencies include the Departments of Commerce, Agriculture, Labor, Treasury, Veteran Affairs, the Export-Import Bank, the General Services Administration, the Overseas Private Investment Corporation, the Small Business Administration, and the US Trade Development Agency. BusinessUSA is a platform to make it easier for businesses to access services that help them grow from the day they need technical assistance to start a business, to the day they start building a product and need financing, to the day they are ready to export and need help breaking into new markets overseas.

MBDA and its network of funded centers will be trained in the broad range of programs offered by BusinessUSA. General duties may include: (a) developing a working knowledge of BusinessUSA and partner programs; (b) providing telephone or email referrals to identified BusinessUSA points of contact; (c) recording caller contact information and referral action; and (d) submitting content (e.g., events, success stories, etc.) for publication on the BusinessUSA website. Centers will receive training on how to execute this requirement (*See* Appendix E, “Center Training Requirements”).

iv. Develop and Maintain a Network of Strategic Partners - Strategic partnerships are established to assist the center with: (1) generating successful contract and financial transactions; (2) creating new jobs and/or retain existing jobs; (3) helping MBEs to achieve size and scale; (4) assisting MBEs achieve globalization; and (5) developing referral sources for MBEs that do not meet the target client criteria. Strategic partnerships must be documented in writing through an approved Memorandum of Understanding (MOU) or similar agreement that records the terms and conditions of the partnership.

A minimum of five (5) strategic partners must be established by the MBDA Business Center within sixty (60) days after receipt of the award and maintained throughout the life of the award. The MBDA Federal Program Officer (FPO) must be notified in writing if the MBDA Business Center cannot meet this requirement, and when replacing a partner. Terminated partnerships must be replaced within forty-five (45) days after termination. Before the MBDA Business Center can claim a strategic partnership, it must be reviewed by the FPO to determine whether the proposed relationship is likely to assist the MBDA Business Center in serving its client base and is consistent with the overall goals and objectives of the MBDA Business Center program. MBDA has no responsibility or obligations to the MBDA Business Center’s strategic partners.

Examples of MBDA Business Center strategic partners include, but are not limited to: (1) large purchasing organizations; (2) banks and financial institutions; (3) state, county or city governments; (4) chambers of commerce or trade associations; (5) U.S. Export Assistance Centers and Procurement Technical Assistance Centers; (6) Small Business Development Centers; (7) community development corporations; (8) technology-based economic development organizations; and (9) other organizations interested in furthering the growth and global competitiveness of MBEs.

- v. **Advisory Committee** – Requires the MBDA Business Center to establish and maintain an Advisory Committee, which is comprised of individual and key decision makers of Native American, Alaska Native and/or Tribal organizations or entities. The Advisory Committee is a volunteer group and is a significant component of the Centers’ business development and program implementation strategies. The Advisory Committee takes an active role in assisting the Center staff in identifying upcoming contract and financing opportunities for clients. The Advisory Committee provides additional resources and guidance to the Project Director to accomplish the work requirements and program implementation.

The Advisory Committee Chairperson should be a senior executive who is willing to serve, in a volunteer capacity, as Chairperson for a minimum of two (2) years. In addition to conducting outreach activities, the Chairperson shall provide guidance and advice on ways to engage the local business communities in Center. The Chairperson works closely with the Project Director to obtain the participation of other senior executives on the Advisory Committee.

- vi. **Resource Development** - All MBDA Business Centers are required to identify and electronically record on the MBDA Portal sources of the following:
- Market Opportunities – public (federal, state and local government) and private (domestic and foreign) sector contracting opportunities;
 - Capital Resources -- standard commercial and alternative debt (loans, lines of credit, etc.), equity, and mezzanine financing, bonds (performance and surety), and trade credit opportunities;
 - Business Ownership Opportunities -- franchises, licensing arrangements, mergers and buy-outs;
 - Education and Training Resources - educational institution programs and other training resources; and
 - Registration of MBEs – register eligible local MBEs in MBDA’s CRM system.

c. **Operational and Performance Requirements** – provides for the implementation and overall management of the program, including achievement of MBDA Business Center performance goals.

- i. **Establishment of Office** - The physical location of the MBDA Business Center must be within the applicable geographic area specified in this FFO. The project operator must open a physical office and be fully operational within sixty (60)

days after receipt of the award. “Fully operational” means that all staff is hired, all required signs are up, all items of furniture and equipment (*e.g.*, computer hardware, software, Internet services, phones, faxes) are in place, and the MBDA Business Center must be fully open to serve the public. Within sixty (60) days after receipt of the award, the project operator shall report via Grants Online to the Federal Program Officer that it has complied with this requirement. Failure to be fully operational within sixty (60) days may result in appropriate enforcement action under the cooperative agreement, up to and including termination. If the MBDA Business Center is co-located with the operator, it must have a “separate identity” that must include, but is not limited to, appropriate signage and working offices for MBDA Business Center staff that are visually independent (or are perceived as standing apart) from the operator’s non-MBDA Business Center operations and personnel.

The MBDA Business Center must be accessible to disabled persons and strategically situated in the applicable location to ensure that it is: (1) close to available business resources; (2) within a reasonable commuting distance to the minority business community; and (3) professional in appearance and conducive to supporting the MBDA Business Center brand.

The MBDA Business Center operator must provide services to eligible clients. Services can be delivered in person or virtually. MBDA calls and emails to the program operator and/or the project director must be returned within 24 hours. In addition, the MBDA Business Center operator and project director shall provide MBDA and other authorized federal government officials with prompt access to the center upon request.

Within sixty (60) days after receipt of the award, the project operator shall report via Grants Online to the MBDA Federal Program Officer (FPO), and to the MBDA Chief Information Officer (CIO) of the Office of Information Technology, Research and Innovation that it has complied with all information technology requirements as specified in Appendix D, “Information Technology and Computer Requirements.” Within sixty (60) days after receipt of the award, the project operator shall also report the name, contact telephone number, and email address of the project director, MBDA Business Center staff member, and the network or system administrator.

- ii. Personnel** - Each project operator is required to have a project director employed and dedicated on a full-time basis to the MBDA Business Center project, and removed from any competing interests. The project director is vital to the MBDA Business Center and acts as the project operator’s key representative to ensure that the MBDA Business Center achieves its performance goals. The project director must possess suitable management and business qualifications, including a minimum of a bachelor’s degree or equivalent experience in a business-related field. Failure to hire a project director within sixty (60) days may result in enforcement action under the award, including the withholding of award payments.

The selection of a project director requires the MBDA FPO to conduct a review of candidate qualifications. The project operator shall submit to the FPO at the onset of competition and/or after an award is issued, the proposed project director's resume and a minimum of three professional references. The MBDA FPO may also conduct an interview of the proposed candidate. Successful candidates will be recommended to the Grants Officer by the MBDA FPO for final approval.

The project operator shall employ personnel that possess the ability to develop and manage strategic relationships to enhance the center's ability to source contracts, counsel minority firms on securing large contract and financial transactions, assist clients in negotiations with purchasing organizations and financing institutions, coordinate and collaborate on client service efforts, actively promote the brand of the center and advise MBEs on accessing global markets as outlined in Section I.A.4., "Program Details and Work Requirements." All consulting personnel should have a minimum of a bachelor's degree or equivalent experience.

MBDA Business Center personnel working with clients must possess the ability to: (1) promote and demonstrate the value of services offered to the client; (2) generate program income; (3) track service delivery on a regular basis; (4) collect performance data; and (5) ensure operational quality standards are met. All personnel charged to the program must directly contribute to the operation of the program.

Staff vacancies shall be filled promptly. Vacancies beyond forty-five (45) days may result in appropriate enforcement action under the award, up to and including termination.

iii. Operational Quality - The project operator must maintain the efficiency and effectiveness of its overall operations as well as the quality of its client services. Under this function, the MBDA Business Center shall:

- (a) Execute signed work plan agreements and engagements with clients;
- (b) Input data, progress, best practices and results into the MBDA CRM/Performance system within seventy-two (72) hours of the time of service and/or receipt of documentation;
- (b) Establish procedures for collecting and accounting for all fees charged to clients;
- (c) Maintain records/files for all work charged to the program and clients;
- (d) Ensure all files are properly recorded and supported by documentation including, client MBE self-certification, MBDA data privacy notice, needs assessment, work assignments, finished work products, and awarded transactions;
- (e) Obtain required verification documentation for any of the performance measures claimed (*See* Appendix C, "Performance Measures and Related Definitions");

- (f) Comply with all reporting requirements that are established as the terms of the award;
- (g) Cooperate with MBDA in maintaining content for the CRM/Performance system, PartnerNet system and other available online tools located at www.mbda.gov;
- (h) Execute a Trademark and Licensing Agreement prior to using the MBDA Business Center logo; and
- (i) Adhere to MBDA’s trademark and licensing requirements for all forms of communication, including the communication guide and logo which will be made available to the operator at the post-award conference.

The term ***MBDA Business Center*** is a trademark of the Federal Government and the Federal Government reserves exclusive rights in the term. Permission to use the term is granted to the project operator for the sole purpose of representing the activities of the operator in the fulfillment of the terms of the financial assistance award.

The MBDA Business Center is not authorized to use either the Department of Commerce’s (DOC) official seal or the MBDA logo in any of its electronic and/or printed publications, documents or other materials without prior written approval from the Department of Commerce and from MBDA.

The operator must support the MBDA Business Center program, MBDA and the Department of Commerce’s policies and initiatives.

iv. Program Performance Measures and Performance Ratings

(a) Performance Measures

The program performance of each MBDA Business Center is evaluated by MBDA based on specific performance elements, which are assigned weighted values. MBDA Business Center operators will be awarded points with respect to each performance element through defined work activities that lead to successful client outcomes. Specifically, performance points will be awarded by MBDA in proportion to the project operator’s satisfaction of the performance goals set forth in the application and incorporated into the terms and conditions of the award.

See Appendix C, “Performance Measures and Related Definitions,” (www.mbda.gov) for a detailed listing of the MBDA Business Center performance measures, performance reporting requirements and related definitions.

(b) Performance Ratings

The MBDA Business Center operator is expected to achieve an overall “Commendable” (or better) performance rating for each funding period, and will be assigned a performance rating by MBDA for each of the four funding periods based on the rating system below:

| MBDA Business Center Performance Scale | |
|---|--------------------------------|
| Performance Ratings | Overall Points Required |
| Outstanding | 100.0* & above |
| Commendable | 90.0 – 99.9 |
| Good | 80.0 – 89.9 |
| Satisfactory | 75.0 – 79.9 |
| Unsatisfactory | 74.9 & below |
| | |
| | *Not to exceed 160 Points |

Failure to maintain at least a “Satisfactory” performance rating may result in designation of the recipient as high risk (including assignment of special award conditions) and other further action under the award, up to and including award termination.

(c) Performance Goals

Suggested performance requirements for the MBDA Business Center project location for the four funding periods are listed in Appendix B, “Estimated Performance Goals by Center Location.” Applicants should propose performance goals for the each of the four funding periods (and in each category) that are realistic for the economic conditions and available opportunities for the applicable location.

Proposing higher than estimated goals without a corresponding methodology for accomplishment **or** lower than estimated goals without a corresponding justification may demonstrate a lack of knowledge of the market place and may adversely impact MBDA’s evaluation of the application. Accordingly, applicants should carefully consider the feasibility of the performance goals proposed in the application. In addition, MBDA may negotiate proposed performance goals with the most the highly rated applicant prior to offering an award.

Detailed program performance related definitions and reporting requirements are discussed in Appendix C, “Performance Measures and Related Definitions.”

B. Program Priorities

Preference may be given during the selection process to applications that effectively address one or more of the following MBDA program priorities:

1. Applicants who demonstrate experience in assisting MBEs in obtaining large scale contracts and financing awards and accessing established supply chains;

2. Applicants who demonstrate a track record of facilitating large scale transactions for MBEs in global markets, or facilitating entry into global markets;
3. Applicants who demonstrate a track record of assisting MBEs in joint ventures, teaming arrangements, mergers and acquisitions;
4. Applicants who demonstrate a track record of successfully partnering and collaborating with third-party entities for the benefit of MBEs;
5. Applicants who demonstrate experience working with MBEs in high-growth industries;
6. Applicants who demonstrate the capacity and willingness to assist MBEs in identifying and accessing federal procurement opportunities, either directly or via partnerships;
7. Proposals that direct 80 percent or more of the federal funding for the project towards direct business consulting staff costs (*i.e.*, direct consulting staff salaries and fringe benefits, travel costs and training costs); and
8. Applicants who propose innovative additions to the MBDA Business Center program that significantly enhance their opportunity to be successful (See Appendix F of the FFO for samples of possible additions that can be developed, enhanced and proposed by applicants).

C. Program Authority

MBDA is authorized in accordance with Executive Order 11625 and 15 U.S.C. § 1512, to solicit competitive applications from eligible organizations for the Minority Business Center program.

II. Award Information

A. Funding Availability

MBDA will fund the financial assistance award for the project identified in this FFO for a total of \$255,000 in FY 2013. Funding for future years of this program has not yet been appropriated. The Agency also anticipates that \$255,000 will be available annually from FY 2014 through FY 2016 to support continuation funding for this project. MBDA Business Center funding levels are generally based on the size and ranking of minority populations, the overall number of minority firms as established by MBDA and U.S. Census Bureau data, and other available research and data.

The total funding period for the award made under this solicitation is anticipated to be four (4) years. The anticipated amount of the federal funding for the MBDA Business Center project for each of the four (4) program years is listed in Appendix A, “MBDA Business Center National Location,” for the center being competed under this FFO. **The non-federal cost sharing requirements under the MBDA Business Center program are discussed in Section III.B. of this FFO.**

The funding periods and funding amounts referenced in this FFO are subject to the availability of appropriated funds, as well as to Department of Commerce and MBDA priorities at the time of award. In no event will the Department of Commerce or MBDA

be responsible for proposal preparation costs. All funding periods under the award are subject to the availability of funds to support the continuation of the project. Publication of this FFO does not obligate the Department of Commerce or MBDA to award any specific cooperative agreement or to obligate all or any part of available funds.

Federal funds should be fully expended by the MBDA Business Center operator during each funding period and are not permitted to be carried-over to subsequent funding periods. MBDA Business Center's that do not fully expend annual federal award funds may experience a reduction of federal funding in subsequent funding periods under the award.

B. Project/Award Period

The award is expected to be made with a start date of September 1, 2013. The award period under this solicitation is anticipated to be four (4) years, with four consecutive funding periods. **Applicants must submit project plans and budgets for the entire award period and for each of the four (4) funding periods.**

The project will initially be funded for the first award year of the award. A project operator will not compete for funding in years two through four, as long as the center is operating at a "Commendable" or "Outstanding" performance level at the time during the current program year that MBDA determines its recommendations to the Grants Officer for continuation funding for the next program year. A project that achieves a performance rating of "Good" or lower will not qualify for automatic renewal, but rather will be eligible for negotiation of award terms and conditions for the next funding period at the discretion of MBDA, subject to the approval of the Grants Officer.

In this respect, recommendations for continuation funding are generally evaluated by MBDA based on the mid-year performance rating and/or a combination of the mid-year and cumulative third quarter performance ratings for the current program year. In making such continued funding determinations, MBDA and the Department of Commerce will consider all the facts and circumstances of each case, such as, but not limited to, market conditions, most recent performance of the project and other mitigating circumstances.

C. Type of Funding Instrument

Financial assistance awards in the form of cooperative agreements will be used to fund the MBDA Business Center program. MBDA shall maintain substantial involvement with the project operator throughout the award period. MBDA will perform the following duties to further the objectives of the program:

1. Post-Award Conference

MBDA shall conduct a mandatory post-award conference for the new MBDA Business Center awards to help ensure that the MBDA Business Center operator has a clear understanding of the program and its components. During the post-award conference, MBDA will: (1) orient MBDA Business Center program officers; (2) explain program reporting requirements and procedures; (3) identify available resources that can enhance

the capabilities of the MBDA Business Center; and (4) provide detailed information about MBDA's Business Internet Portal and other information systems.

2. Training

MBDA shall conduct various qualitative training sessions for the MBDA Business Center staff (subject to the availability of funds and training resources). The training sessions are mandatory (except where otherwise indicated) and are designed in large part to improve communications, understandings, client service delivery, performance and reporting. The MBDA Business Center training requirements are set forth in Appendix E, "Center Training Requirements." The MBDA Business Center applicant is required to allocate appropriate personnel and funds to support all training programs (*See* Appendix E). The MBDA Business Center applicant is required to generate program income and, consistent with the requirements of this FFO that program income must further eligible project purposes. The operator is encouraged to apply these financial resources to support training requirements under this award.

3. Network, Tools and Information Exchange

MBDA shall provide access through its Business Internet Portal (www.mbda.gov) to various technologies and business development tools intended to help streamline and enhance the process of delivering client services and promote the consistency of services provided by operators throughout the MBDA network. MBDA requires regular and ongoing use of these tools. MBDA will provide an orientation to successful applicants on how this technology can be leveraged by the centers to augment service delivery.

4. Project Support

MBDA expects to further support the MBDA Business Center Program by:

- Providing client and strategic support through MBDA Headquarters;
- Providing a singular Internet presence that supports each local center and overall program brand;
- Expanding the MBDA data bank of minority-owned firms and facilitating the exchange of business opportunity information within the MBDA network;
- Providing general program information, guidance and support as well as a help line for questions related to the MBDA CRM/Performance System;
- Providing project monitoring and advisement;
- Providing year-to-date performance transparency;
- Providing program accountability with respect to verification services; and
- Providing general program systems and support that foster collaboration among the MBDA network through the MBDA's PartnerNet.

5. Project Monitoring and Advisement

MBDA will systematically monitor the performance of the MBDA Business Center, as provided under the management assessment performance measure (*See* Appendix C,

“Performance Measures and Related Definitions”). This monitoring includes regular review of the MBDA Business Center’s data input to the Performance/CRM system.

MBDA will conduct the following performance assessments for each funding period: the first semi-annual performance period (September 1 – February 28), and cumulative year-end performance period (September 1 – August 31). These assessments are based on the MBDA Business Center’s timely submission of its required performance narrative reports.

MBDA will conduct an initial and periodic on-site assessment of the MBDA Business Center to verify the center’s performance/claims, including but not limited to a review of client files, program income, and overall operations. MBDA may also conduct a review of reported client assistance by surveying and/or interviewing the clients assisted by the center.

MBDA will assess the center’s effectiveness in providing business development services to their respective minority business communities, and will provide a report of findings and recommendations for improvement as a result of evaluations and monitoring visits. MBDA will approve qualifications of key MBDA Business Center staff and respond to center requests for MBDA action.

MBDA may conduct additional consultations with a MBDA Business Center that is operating at an unsatisfactory performance level. These consultations are designed to assist the center through collaborative support. The MBDA Business Center may be required to develop a performance improvement plan based on MBDA’s findings, suggestions and recommendations. In addition, MBDA Business Centers performing at an unsatisfactory level are subject to enforcement actions under the award, up to and including termination.

III. Eligibility Information

A. Eligible Applicants

For-profit entities (including but not limited to sole-proprietorships, partnerships, limited liability companies and corporations), non-profit organizations, state and local government entities, Native American Tribes and educational institutions are eligible to apply to operate MBDA Business Centers.

B. Non-Federal Cost Share Requirement

There is no predefined minimum or maximum amount of required non-federal cost sharing under the MBDA Business Center program. However, as discussed below, non-federal cost sharing through the generation of “program income” is mandatory. “Non-federal cost share” is the portion of the total project costs not borne by the Federal Government. Beyond the required generation of program income, applicants may contribute additional non-federal cost share to the award by one or more of the following methods: (1) applicant cash contributions; (2) applicant in-kind (i.e., non-cash) contributions; or (3) third-party cash or in-kind contributions (including a state or local

grant or other form of support for the project). Note: If an applicant plans to apply other grant funds to this award, then the applicant must verify that those funds can be used for such purpose.

The MBDA Business Center program is a fee-for-service program and center operators are required to generate “program income” through the collection of client fees, membership fees, success fees and/or other fee structures proposed by the applicant. All proposed fee structures must be acceptable to MBDA and approved by the Grants Officer. Program income identified by the applicant in the project’s proposed budget and approved by the Grants Officer must be applied directly to the award’s non-federal cost share and must be used in furtherance of program objectives. In addition, for each funding period under the award, the MBDA Business Center operator will generally be required to contribute cash or another acceptable form of non-federal cost share to the award to compensate for uncollected program income that was included in the approved project budget.

Program income generated during a funding period exceeding that contained in the approved budget must be used in furtherance of eligible project objectives. Subject to written approval by the Grants Officer, program income generated by a MBDA Business Center project that cannot be expended during the funding period in which it is earned (*e.g.*, when unanticipated program income is obtained towards the end of the funding period) may be carried forward by the MBDA Business Center operator for one year only to be expended in furtherance of project objectives in the award’s next subsequent funding period. Excess program income generated during one funding period may not be carried back to satisfy cost share shortfalls in prior funding periods. Program income that is not (1) expended in furtherance of project objectives, (2) carried forward for expenditure in the succeeding funding period with written approval of the Grants Officer, or (3) used for completion of the work by the end of the overall award period will be deducted from the project’s total allowable cost. Any of the aforementioned circumstances may result in the MBDA Business Center operator being required to reimburse MBDA for some, or all, of the federal share disbursed to the operator under the MBDA Business Center award. *See* the “Program Income” discussion in the Proposed Budget and Narrative portion of Section IV.B. of the FFO for additional information on this requirement.

IV. Application Submission Information

A. Address to Request Application Package

All application materials and forms are available at the Grants.gov website (<http://www.Grants.gov>). Additional competition materials, including a general application preparation tips, budget narrative checklist and unofficial panel review form, can be found on the MBDA Internet Portal (www.mbda.gov).

B. Content and Form of Application

In general, the applicant's proposal must fully explain how it will implement the MBDA Business Center work requirements (Section I.A.4., "Program Details and Work Requirements") and achieve the performance goals set forth in this FFO. A complete proposal consists of a detailed program narrative with defined sections, a detailed budget and budget narrative, required attachments, and certain Standard Forms (SF) and Department of Commerce (CD) forms as set forth in the discussion of "Standard Forms" in Section IV.B.

Each application will be evaluated based on the criteria set out in section V. for a maximum of 110 points. The Program Narrative section of the application will be eligible for a total of 80 points, the Proposed Budget and Budget Narrative section will be eligible for 20 points, and the Service Innovation section will be eligible for a total of 10 bonus points. Applications should include the elements for each section as described below in order to be eligible for the maximum number of points. Applications that fail to include all the necessary elements will not be reviewed or considered and will be disqualified.

A complete application should contain the below information in the following order (*See also Appendix G, "Application Checklist," to this FFO*):

1. Cover Page

At a minimum, the application cover page must provide the applicant's name, address, telephone number, email address, date of submission and the MBDA Business Center project for which the applicant is applying.

2. Table of Contents

Applicants should outline the full contents of the application and provide corresponding page numbers. All pages of the application must be consecutively numbered.

3. Program Narrative

a) Applicant Capability

- **Organizational Background and Knowledge of Community:** Applicant's organizational background, emphasizing knowledge of the American Indian and Alaska Native business sector and strategies for enhancing its growth and expansion. Consideration will be given to whether the applicant has a physical presence in the applicable location and past experience providing related services.
- **Mission Alignment:** The extent to which the mission of the applicant organization aligns with the mission of MBDA and the priorities and objectives of the MBDA Business Center program, as set forth in Sections I.A. and I.B. of this FFO.
- **Access to Markets:** Applicant's knowledge of and experience in public and private sector contracting opportunities for American Indian and Alaska Native firms, as well as demonstrated experience in assisting clients into supply chains. The applicant's professional working relationships and

networks with potential sources of contracts for clients will also be considered. Additionally, the applicant's experience with facilitating large procurement/contract deals on behalf of minority firms, conducting business matchmaking forums, and assisting businesses with the establishment of joint ventures and teaming arrangements will be considered.

- **Access to Capital:** Applicant experience in successfully preparing and matching American Indian and Alaska Native businesses with traditional sources of capital, alternative sources of financing (i.e., equity and venture capital), loan and bonding packages, and mergers and acquisitions. Applicant's professional working relationships and networks with financial institutions (corporate, banking and investment communities).
- **Business Consulting to Clients:** The applicant's experience with and strategies for enhancing minority business growth and delivery of business consulting services and related successful client outcomes.
- **Key Staff:** Qualifications and experience of proposed staff, including but not limited to, the Project Director and business consultants. The applicant may identify a proposed project director within its application or after an award is issued. All staff shall possess the ability to successfully deliver the program services and fulfill the work requirements of this FFO, and must be experienced in utilizing information systems. Position descriptions, qualification requirements, education requirements, and salary range must be provided for each proposed MBDA Business Center staff position (include under program narrative attachments). If a specific individual is identified for a position, a copy of the individual's resume must be submitted. Applicant's plan for recruiting staff should be addressed.

b) Resources

- **Partners:** The applicant's plans for establishing and maintaining a network of strategic partners and the extent to which each partner will support the MBDA Business Center in implementing the program and meeting program performance goals. Whether the partnerships will be leveraged towards assisting clients with securing contracts, securing financing, job creation, penetrating global markets, achieving size and scale, or providing referrals for services will also be considered. Additionally, how the applicant will interact and coordinate with its strategic partners towards effecting successful client outcomes will be considered.
- **Advisory Committee:** the applicant's plans to recruit and appoint a Chairperson for the Advisory Committee. The applicant's strategy to leverage the Advisory Committee towards attaining the Center's performance goals.
- **Resources:** Resources that will be used in implementing the program in each of the four program years will be considered. Resources include, but are not limited to, existing prior and/or current data lists that will serve in fostering immediate success for the MBDA Business Center.
- **Location/Equipment:** The applicant's strategic rationale for the proposed MBDA Business Center office (the center location must be close to private and public sector resources and potential clients, and must be professional in appearance). The applicant's plans to satisfy the MBDA Business Center

information technology requirements, including computer hardware, software requirements, creation and support of an MBDA Business Center website and network map will also be considered (*see* Appendix C, “Information Technology and Computer Requirements”).

c) Techniques and Methodologies

- **Performance Measures:** For each of the four (4) funding periods, the techniques and methodology proposed by the applicant to be used in implementing the program will be considered, including the quarterly breakdown of the performance goals. In addition, the applicant’s recognition of and strategy for addressing existing market conditions in achieving performance goals will be considered. Additionally, how the applicant proposes to establish a system that corresponds to, or may compliment, MBDA’s tracking and validation of contracts and financings will be considered. (*See* Suggested Performance Goals for each MBDA Business Center location listed in Appendix B, “Estimated Performance Goals by Center Location,” of the FFO.) Please note that deviations, either above or below, from the Suggested Performance Goals require justification.
- **Start-up Phase:** The applicant’s strategic plan for commencement of the MBDA Business Center operations within the initial 60-day period will be considered. The center shall have sixty (60) days to become fully operational after an award is made. (*See* Section I.A.4., “Operational and Performance Requirements.”) Please note that the applicant must submit a schedule with significant implementation milestones, such as the hiring of key staff and the opening of the MBDA Business Center facility.
- **Work Requirements Execution Plan:** The applicant’s description for how staff time will be used effectively and efficiently to achieve the work requirements of the overall program, including the start-up phase, will be considered. Please note that the applicant must include a specific four-year plan-of-action detailing how the MBDA Business Center work requirements will be met for each of the four (4) funding periods. (*See* Section I.A.4, “Program Details and Work Requirements.”) A staff allocation chart for each of the four (4) years must also be included as part of the work requirements execution plan (Example provided below).

The staff allocation summary must include a project director, all other staff, volunteers and interns. Each staff role must be identified as full or part-time, with the estimated hours to be worked on a yearly basis. The staff allocation summary should indicate each role.

EXAMPLE ONLY: Staff Allocation Summary – Funding Period 1

| Role | Status | Project Allocation | Total Available Hours |
|---------------------|-----------|--------------------|-----------------------|
| Project Director | Full Time | 100% | 2,040 |
| Business Consultant | Full Time | 100% | 2,040 |
| Business Consultant | Full Time | 100% | 2,040 |
| Admin. Asst. | Part Time | 25% | 513 |
| Total | | | 6,633 |

4. Required Program Narrative Attachments

- i. Applicant organizational chart
- ii. Proposed MBDA Business Center program organizational chart (include lines of reporting for the project director to the head of the applicant organization)
- iii. Original Letter of Commitment from the proposed project director (if applicable)
- iv. Project director resume and three (minimum) professional references must be provided (if proposed)
- v. Resumes of other key staff (if applicable)
- vi. Position descriptions, qualification requirements and salary ranges for all staff
- vii. Proof of legal entity, for example, State-issued Certificate of Good Standing, copy of registered Articles of Incorporation, by-laws, IRS 501 (c)(3) tax-exempt letter, authorizing legislation or other evidence of applicant entity legal status
- viii. Original Letter(s) of Commitment from strategic partners and other resources listed, indicating their willingness to work with the applicant (ten maximum)
- ix. Quarterly breakdown of performance goals (one chart for each year, *See* Appendix C, “Performance Measures and Related Definitions.”)
- x. Staff allocation chart (one for each year; see example above)
- xi. List of MBDA Business Center operating hours and all anticipated holiday closures for each year of the anticipated four-year award period. In general, MBDA expects that the center’s operating hours will follow the traditional business hours of on or before 9:00 a.m. until on or after 5:00 p.m. each business day. In addition, MBDA generally expects that the MBDA Business Center will follow the federal work schedule regarding the dates that the center will be open for business. The federal holiday schedule (*i.e.*, those dates that the federal government is not opened) is available at http://www.opm.gov/Operating_Status_Schedules/fedhol/2013.asp for each year of the anticipated four-year award period. **Deviations from the operating hours and business working days expected by MBDA (*e.g.*, religious holidays) must be identified, with justification, in the application.**

5. Proposed Budget and Budget Narrative

- a) **Reasonableness, Allowability and Allocability of Proposed Program Costs:**
All of the proposed program costs expenditures should be broken down into their individual units and discussed. The budget narrative must match the proposed line item budget, time phased plan, and staff allocation table. Fringe benefits and other percentage item calculations should match the proposed budget line-item and narrative. Line item amounts in the detailed budget and budget narrative must

match the budget numbers reflected in Standard Form (SF) 424 (one for all four years) and 424A (one for each of the four years).

All costs included in the proposed budget must be allowable, allocable and reasonable. Each item of cost must be accompanied by a sufficiently detailed description and cost breakdown to enable reviewers to make a determination regarding whether the cost is allowable, allocable and reasonable. One word descriptions and lump sum amounts are not adequate for justifying costs. Each budget item should be broken out and described fully so that there is no ambiguity as to its relevance to MBDA Business Center program objectives and its reasonableness. The following Office of Management and Budget (OMB) Circulars and Federal Acquisition Regulations (depending on the type of recipient) will be used to determine allowable costs, and will apply to the entire amount of the MBDA Business Center award, including both the federal and non-federal program costs:

- 2 C.F.R. part 220 (OMB Circular A-21, “Cost Principles for Educational Organizations);
- 2 C.F.R. part 225 (OMB Circular A-87, “Cost Principles for State, Local and Indian Tribal Governments);
- 2 C.F.R. part 230 (OMB Circular A-122, “Cost Principles for Nonprofit Organizations); and
- 48 C.F.R. part 31 for commercial organizations and for those organizations listed in Appendix C to 2 C.F.R. part 230.

b) Performance-Based Budgeting: The extent to which the line-item budget and budget narrative relate to the accomplishment of the MBDA Business Center work requirements and performance measures (*i.e.*, performance-based budgeting) will be considered. The budget will be compared to the program narrative to determine whether the budget is realistic from a programmatic perspective and whether costs are necessary to complete the work requirements. Costs included in the budget that are determined to be unrealistic will be considered as an indication of an applicant’s lack of understanding of the requirements of the MBDA Business Center program and/or the methods that must be utilized to deliver services. Program Income (*i.e.*, client fees, membership fees, success fees, and/or other acceptable fee structures proposed) must be adequately addressed and properly documented, including but not limited to how the proceeds will be billed, collected, waived and used by the applicant in furthering the program objectives.

Applicants must submit a line item budget (SF 424A) and corresponding budget narrative for EACH of the four (4) funding periods under the award, which are anticipated to be: (i) September 1, 2013 – August 31, 2014; (ii) September 1, 2014 – August 31, 2015; and (iii) September 1, 2015 – August 31, 2016 and (iv) September 1, 2016 – August 31, 2017.

The **federal contribution to the budget is non-negotiable.** The amount of federal funds designated for the award (as set forth in Appendix A, “Anticipated

Funding Availability by Center Location,” of this FFO) must not be exceeded in the proposed project budget. Costs must be proposed, on a per-event, per-person, per-item basis for all travel (*e.g.*, airfare, per diem, ground transportation). In particular, each of the training events set forth in Appendix E, “Center Training Requirements,” must be budgeted for, as indicated. If a venue for an event is not stated, applicants are to assume that the event will be held in Washington, D.C. Applicants may include training costs under federal and/or non-federal cost share (if proposed).

Non-federal cost share must be itemized on the SF-424A, the program line-item budget and in the budget narrative. Applications must include an original signed commitment letter from the contributors of all proposed third-party, in-kind contributions. Failure to provide this documentation may result in the disallowance of the third party in-kind contribution amount proposed and reduction of available points assigned to the budget section of the application.

Program Income: As discussed in Section III.B. of this FFO, the generation of program income is mandatory under the MBDA Business Center program and center operators are required to account for all program income generated in whole or in part under the financial assistance awards. Program income is defined as gross income earned by the recipient from federally supported activities and, for purposes of the MBDA Business Center program, specifically includes client fees, membership fees, success fees and other income generated by the center. *See* 15 C.F.R. § 14.24 or 15 C.F.R. § 24.25 (as applicable based on the type of applicant).

For each of the four anticipated funding periods under the MBDA Business Center award, applicants must identify: (i) how program income will be generated by the program; (ii) the anticipated amount of program income (which must be identified as non-federal cost share in the project’s proposed budget); and (iii) how the program income will be used to further the program objectives. In this respect, all proposed fee structures and other methods for the MBDA Business Center’s generation of program income must be acceptable to MBDA and approved by the Grants Officer.

The applicant should take great care in projecting the total dollar amount in fees and other program income that will be generated each program year. The applicant must state clearly the methodology for estimating the amount of fees to be billed and to be collected.

It is also important to note that in some cases the MBDA Business Center may apply a policy for fee waivers and/or accounts not collectable. The applicant must indicate, for each of the funding periods, at what point fees are charged to its clients (*e.g.*, upon completion of work assignment and/or successful completion of awarded transaction) and how it intends to collect and manage fees. These items should be taken into consideration and discussed in the budget narrative.

6. Service Innovation – Bonus Points

Bonus points may be awarded to applicants proposing innovative MBE services that enhance the required MBDA Business Center program scope. This component is optional and any service(s) proposed under the “Service Innovation” is in addition to the core MBDA Business Center services listed under the “Program Details and Work Requirements” in Section I.A.4., of the FFO. Proposed innovations cannot be used as a substitute or otherwise in lieu of the defined MBDA Business Center program and service requirements.

An applicant proposing a “Service Innovation” must fully describe the aspects of any innovative addition(s) to the work requirements that the applicant will implement. Some examples have been provided in Appendix F, “Sample Service Innovation Concepts,” of the FFO. Applicants are not required to utilize these examples. MBDA encourages any innovative solutions; however, proposed ideas (including the stated examples) must be fully developed and articulated along with processes and anticipated results.

7. Standard Forms

The application must contain the following Standard Forms (SF): (i) **SF-424** - Application for Federal Assistance (one form to cover all funding periods); (ii) **SF-424A**, Budget Information-Non-Construction Programs; (iii) **SF-424B**, Assurances-Non-Construction Programs; and (iv) **SF-LLL**, Disclosure of Lobbying Activities.

8. Department of Commerce Forms

The application must contain the following Department of Commerce (CD) form: **CD-511, Certification Regarding Lobbying.**

9. Application Submission Checklist

A submission checklist has been developed as a guide for applicants. Do not submit newspaper clippings, brochures, letters of recommendation or other superfluous documents, as they will not be considered in the evaluation process. See Appendix G, “Application Checklist.”

C. Submission Date and Time

The closing date for receipt of applications is **June 22, 2013 at 11:59 p.m. Eastern Daylight Time (EDT)**. To be considered timely, applications must be transmitted electronically via www.Grants.gov and time-stamped at www.Grants.gov by the closing date. Applications received after the closing date will not be considered.

The electronic submission will receive a date and time stamp at www.Grants.gov and be processed after it is fully uploaded. The time it takes to completely upload an application will vary depending on a number of factors, including the size of the application, the

speed of the applicant's Internet connection, and the time it takes www.grants.gov to process the application. If www.grants.gov rejects the application, the applicant will need to resubmit successfully before the deadline date. The www.grants.gov time stamp will be considered the date and time of submission receipt. Before beginning to apply through www.grants.gov, please review fully the application instructions posted at www.grants.gov and in this Program Announcement.

Register early and submit early. *In order to submit an application through www.grants.gov, applicants first must register for a www.grants.gov user ID and password. Note that this process can take between three to five business days or as long as four weeks if all steps are not completed correctly.* To avoid delays, MBDA strongly recommends that applicants start early and not wait until the approaching deadline date before logging on, registering at www.grants.gov, reviewing the application instructions, and applying. Information about the www.grants.gov registration process can be found at http://www.grants.gov/applicants/get_registered.jsp.

Applicants should register as organizations, not as individuals. As part of the registration process, the applicant must register an Authorized Organizational Representative (AOR) for the organization. Note that a given organization may designate multiple individuals as AORs for www.grants.gov purposes. Note also that AOR substitutions or additions generally require approximately 10 business days to be processed by www.grants.gov. The AORs registered at www.grants.gov are the only officials with the authority to submit applications. Ensure that the organization's application is submitted by someone designated as its AOR. If the application is submitted by anyone other than an organization's designated AOR, it will be rejected and will not be considered for the competition.

Please note that organizations already registered with Grants.gov do not need to re-register; however, all registered organizations must keep their Central Contractor Registration (CCR) database, now located in the System for Award Management (SAM) registration up-to-date or their applications will not be accepted by Grants.gov. Note that your CCR username will not work in SAM; you must create a new SAM user account to renew or update your registration: to obtain additional information and to verify that all required registrations are current, please visit www.sam.gov/portal/public/SAM.

Again, MBDA strongly recommends that applicants begin the application process well in advance of the application deadline date through www.grants.gov as, in some cases, the process for completing an application may require three to five business days.

The electronic submission date is the date that applications will be deemed to have been submitted electronically and shall be the date and time received at www.Grants.gov. Applicants must save and print the proof of submission they receive from www.Grants.gov. *Applicants should plan to submit the application electronically several (3-5) days before the deadline to ensure that the application is complete and accepted by grants.gov before the submission deadline.* If problems occur while using www.Grants.gov, the applicant is advised to (i) print any error message received, and (ii) call www.Grants.gov at 1-800-518-4726 for immediate assistance. MBDA may allow

more time for applicant submission due to system problems at Grants.gov that are beyond the control of the applicant.

Please note: problems with the application or computer systems at the applicant organization are not considered systems issues. Similarly, an applicant's failure to complete the required registration, ensure that an AOR submits the application, notice receipt of an email message from www.grants.gov, or other failure to comply with the requirements of www.grants.gov are not systems issues. A www.grants.gov "systems issue" is an issue occurring in connection with the operations of www.grants.gov itself, such as the temporary loss of service by www.grants.gov due to unexpected volume of traffic or failure of information technology systems, both of which are highly unlikely.

D. Intergovernmental Review

Applications under this program are not subject to Executive Order 12372, "Intergovernmental Review of Federal Programs."

E. Funding Restrictions

1. Profits or Fees

Profits, fees or other increments above cost may not be paid on MBDA financial assistance awards and must not be included as part of the proposal.

2. Indirect Costs

Under the MBDA Business Center program, indirect costs charged to an award shall not exceed the lesser of: (a) the indirect cost rate negotiated and approved by the applicant's cognizant federal agency; or (b) thirty percent (30%) of the total direct costs for the project. This limitation applies separately and collectively to each of the four anticipated funding periods under the award. Indirect costs proposed under the award must be clearly identified as a separate budget line-item. Applications proposing indirect costs in excess of the above limitations will be deemed nonresponsive and will not be considered.

If indirect costs are proposed and the applicant has an approved negotiated indirect cost rate agreement with its cognizant federal agency, a copy of the agreement must be included with the application package. For State, Local, and Indian Tribal Governments, educational institutions and non-profit organizations, "cognizant federal agency" is generally defined as the federal agency that provides the largest dollar amount of direct federal funding. For commercial organizations, "cognizant federal agency" is generally defined as the federal agency that provides the largest dollar amount of negotiated contracts, including options. The Department of Commerce is the cognizant federal agency if the only federal funds received by an applicant are provided by the Department of Commerce.

Organizations that do not have an approved negotiated indirect cost rate agreement may propose indirect costs as part of the project budget. For a recipient to recover indirect

costs it must prepare and submit a cost allocation plan and indirect cost rate proposal consistent with the applicable OMB guidelines set forth below. The allocation plan and the rate proposal must be submitted to the funding bureau within the Department of Commerce (or the recipient's cognizant federal agency if not the Department of Commerce) within ninety (90) days from the effective date of the award and is subject to Department of Commerce (or other cognizant federal agency) approval. The applicant shall provide the Grants Officer with a copy of the transmittal letter.

The indirect cost policies contained in 2 C.F.R. part 220 (2007) (OMB Circular A-21, "Cost Principles for Educational Organizations), 2 C.F.R. part 225 (2007) (OMB Circular A-87, "Cost Principles for State, Local and Indian Tribal Governments) and 2 C.F.R. part 230 (2007) (OMB Circular A-122, "Cost Principles for Nonprofit Organizations) will apply to MBDA awards for its business development programs. Indirect costs are those costs proposed for common or joint objectives and which cannot be readily identified with a particular cost objective. (The term "indirect cost" has been replaced with the term "facilities and administrative costs" under OMB Circular A-21, "Cost Principles for Educational Institutions.") If the American Indian and Alaskan Native MBDA Business Center award is to be the sole source of funding for the applicant organization, all costs will be direct costs, and indirect costs should not be proposed.

F. Other Submission Requirements

1. Electronic Submission

Applicants must submit their proposal electronically at <http://www.Grants.gov>. Submissions should be made in accordance with the instructions available at Grants.gov (See http://www.grants.gov/applicants/app_help_reso.jsp for detailed information).

The preferred format for electronic attachments is .pdf. This is the most prevalent format for documents that are scanned from hard-copy. However, the Department will accept electronic files in Word or Excel formats.

Please note that to submit an application through www.Grants.gov, applicants must first register for a Grants.gov User ID and Password. This process can take several days; therefore, applicants should not wait until the application package is complete to initiate the registration process. In addition, applicants must have an updated Central Contractor Registration (CCR), now a part of the System for Award Management (www.SAM.gov), for their organization, and must designate the person submitting the application on behalf of the organization as an Authorized Organizational Representative (AOR). Note that your CCR username will not work in SAM; you must create a new SAM user account to renew or update your registration: to obtain additional information and to verify that all required registrations are current, please visit www.sam.gov/portal/public/SAM.

Applicants should register as organizations, not as individuals. As part of the registration process, the applicant representative must register as an Authorized Organizational Representative (AOR) for the organization. AORs registered at www.grants.gov are the only officials with the authority to submit applications at www.grants.gov. The applicant must ensure its application is submitted by its AOR. If the application is submitted by

anyone other than the organization’s AOR, the application will be rejected and cannot be considered for the competition. Note that a given organization may designate multiple individuals as AORs for www.grants.gov purposes.

Failure to submit a complete application by the submission deadline will result in the application being rejected by Grants.gov. An electronic application cannot be submitted through Grants.gov unless all required fields on all required forms are completed.

V. Application Review Information

A. Evaluation Criteria

1. Program Narrative

The Program Narrative section of the proposal will be evaluated, and applicants will be selected, based on the level at which the proposal addresses the below listed evaluation criteria. Section IV.B., “Content and Form of Application,” of this FFO provides detailed requirements for each listed criterion. A total of eighty (80) points are available for the Program Narrative section of the application.

| Program Narrative Evaluation Criteria | Points Assigned |
|--|------------------------|
| 1. Applicant Capability - Organizational Background and Knowledge of Community (5 points) - Mission Alignment (5 points) - Access to Markets (5 points) - Access to Capital (5 points) - Business Consulting to Clients (5 points) - Key Staff (5 points) | 30 |
| 2. Resources - Partners (5 points) - Advisory Committee (5 points) - Resources (5 points) - Location/Equipment (5 points) | 20 |
| 3. Techniques and Methodologies - Performance Measures (10 points) - Start-up Phase (10 points) - Work Requirements Execution Plan (10 points) | 30 |
| Core Program Narrative Points Available | 80 |

2. Proposed Budget and Budget Narrative

The Proposed Budget and Budget Narrative section of the applicant’s proposal will be evaluated on the criteria identified below. Section IV.B. “Content and Form of Application,” of this FFO provides detailed cost proposal requirements. A total of twenty

(20) points are available for the Proposed Budget and Budget Narrative section of the application.

| Budget Detail and Narrative Evaluation Criteria | Points Assigned |
|--|------------------------|
| Proposed Budget and Budget Narrative - Reasonableness, Allowability and Allocability of Proposed Program Costs (10 points) - Performance-Based Budgeting (10 points) | 20 |
| Budget Detail and Narrative Points Available | 20 |

A combined total one hundred (100) Program Narrative and Budget Detail and Narrative Points are available.

3. Service Innovation (Optional) – Bonus Points

Service Innovation is optional. The applicant’s proposal may include service concepts that are above and beyond the required services listed under Section I.A.4, “Program Details and Work Requirements,” of the FFO. A maximum of ten (10) bonus points are available under this criterion.

| | |
|---|------------|
| Bonus Points for “Service Innovation” | 10 |
| Total Program Narrative, Budget Detail and Narrative Points Available, and Service Innovation Bonus Points | 110 |

B. Review and Selection Process

1. Initial Screening

Prior to the formal paneling process, each application will receive an initial screening to ensure that all required forms, signatures and documentation are present. An application will be considered non-responsive and will not be evaluated by the review panel if it is received after the closing date for receipt of applications, the applicant authorized organizational representative (AOR) fails to submit Standard Form 424 by the application closing date, the application is submitted by an applicant that is not eligible, or the application does not provide for the operation of a MBDA Business Center. Note, AOR substitutions require approximately ten (10) working days to be processed by www.Grants.gov. Other application deficiencies will be accounted for during panel review and may result in point deductions.

2. MBDA Merit Review Panel

Each responsive application will receive an independent, merit review by a panel qualified to evaluate the applications submitted. The review panel will consist of at least three (3) individuals, all of whom will be full-time federal employees and at least one of whom will be an MBDA employee, who will review the applications for a specific project based on the published evaluation criterion. Each reviewer shall evaluate and provide a score for each proposal. Each project review panel (through the panel

Chairperson) shall provide the MBDA Selecting Official with a ranking of the applications based on the average of the reviewers' scores.

3. Final Selection and Recommendation for Funding

The MBDA National Director is the Selecting Official and makes the final recommendation to the Grants Officer regarding the funding of applications under this competitive solicitation. MBDA expects to select and recommend funding the highest ranking applicant, as evaluated and recommended by the merit review panel and taking into account results of the respective MBDA panel Chairperson's review. However, the MBDA National Director may decide not to select any of the recommended applications, or may select an applicant out of rank order, for the following reasons:

- (a) A determination that a lower ranked applicant better addresses one or more of the program priorities set forth in section I.B., "Program Priorities," of this FFO, in which case the Director shall set forth the grounds of his determination in writing. The National Director (or his/her designee) reserves the right to conduct one or more site visits, in order to make a better assessment of an applicant's capability to achieve the program priorities; or
- (b) The availability of MBDA funding.

Prior to making a final recommendation for funding to the Grants Officer, MBDA may conduct negotiations with an applicant that the Selecting Official anticipates recommending and/or request that the applicant provide written clarifications regarding its application.

C. Anticipated Announcement and Award Dates

Anticipated time for processing awards is approximately one hundred (100) days from the closing date for receipt of applications. MBDA anticipates that the MBDA Business Center awards will be made with a start date of September 1, 2013.

VI. Award Administration Information

A. Award Notices

The notice of award (CD-450) is executed by the Department of Commerce Grants Officer and is the authorizing document. It is generally provided electronically via the Grants Online system to the Authorized Representative of the recipient organization. The Authorized Representative for a successful applicant will receive instructions from MBDA on how to access the Grants Online system to accept the award.

MBDA will notify unsuccessful applicants, in writing, after a final selection has been made and after an offer has been accepted. Those applications that are not ultimately selected for funding will be retained by MBDA for a period of three (3) years after which they will be destroyed.

On occasion, competitive solicitations or competitive panels may produce less than optimum results, such as a competition resulting in the receipt of no applications or a competition resulting in all unresponsive applications received. If the competition results in only one application, it may or may not require additional action from MBDA depending upon the competitive history of the area, the quality of the application received, and the time and cost limits involved. In the event that any or all of these conditions arise, MBDA shall take the most time and cost-effective approach available that is in the best interests of the Government. This includes but is not limited to: (i) a new competition; (ii) re-paneling; or (iii) negotiation.

B. Administrative and National Policy Requirements

Administrative and national policy requirements for all Department of Commerce awards are contained in the *Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements*, published in the *Federal Register* on December 17, 2012 (77 FR 74634). You may obtain a copy of this notice by contacting the MBDA contact under Section VII., “Agency Contacts,” or by entering the *Federal Register* volume and page numbers provided in the previous sentence at the following Internet website: www.gpoaccess.gov/fr/retrieve.html, or by going to <http://www.gpo.gov/fdsys/pkg/FR-2012-12-17/pdf/2012-30228.pdf#page=1>.

C. Reporting

1. Financial Reports and Performance Narrative Reports

Financial reports are to be submitted to the Department of Commerce Grants Office on a quarterly basis. A final financial report is due within ninety (90) days after expiration of the award. Performance narrative reports are to be submitted to the Federal Program Officer within forty-five (45) days after the end of the second program quarter of each funding period. An annual or final performance report is due forty-five (45) days after the end of each funding period. Additional reporting requirements are set forth in Appendix C, “Performance Measures and Related Definitions.”

2. Federal Funding Accountability and Transparency Act of 2006 Reporting

The Federal Funding Accountability and Transparency Act of 2006 includes a requirement for awardees of applicable Federal grants to report information about first-tier sub-awards and executive compensation under Federal assistance awards issued in FY 2011 or later. All awardees of applicable grants and cooperative agreements are required to report to the Federal Sub award Reporting System (FSRS) available at www.FSRS.gov on all sub-awards over \$25,000. Please see the OMB guidance published at 2 C.F.R. part 170 (2010), which can be accessed at http://ecfr.gpoaccess.gov/cgi/t/text/text-idx?c=ecfr&tpl=/ecfrbrowse/Title02/2cfr170_main_02.tpl.

VII. Agency Contacts

Prospective applicants may contact:

Ms. Joann Hill, Acting Chief
MBDA Office of Business Development
U.S. Department of Commerce
14th and Constitution Ave., N.W.
Washington, DC 20230
Tel: 202-482-1940

VIII. Other Information

A. Past Performance and Non-Compliance with Award Provisions

A consistent pattern of unsatisfactory performance under prior federal awards may result in an application not being considered for funding. Failure to comply with any or all of the provisions of an award may have a negative impact on future funding by the Department of Commerce (or any of its operating units) and may be considered grounds for any or all of the following actions: establishment of an account receivable, withholding payments under any Department of Commerce awards to the recipient, changing the method of payment from advance to reimbursement only, imposition of other special award conditions, suspension of any active Department of Commerce awards, and termination of any active Department of Commerce awards.

B. Limitation of Liability

In no event will MBDA or the Department of Commerce be responsible for proposal preparation. All funding periods under the award are subject to the availability of funds to support the continuation of the project. Publication of this FFO does not obligate MBDA or the Department of Commerce to award any specific project or to obligate any available funds.

C. Audit Costs

Audits shall be performed in accordance with audit requirements contained in Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, revised June 26, 2007 and the applicable Compliance Supplement. OMB Circular A-133 requires that non-profit organizations, government agencies, Indian tribes and educational institutions expending \$500,000 or more in federal funds during a one-year period conduct a single audit in accordance with guidelines outlined in the Circular. Commercial and other organizations not covered by OMB Circular A-133 will be subject to the audit requirements set forth in the terms and conditions of the award. Applicants are also reminded that other audits may be conducted by the Department of Commerce Office of Inspector General and by other authorized federal agencies.

D. Freedom of Information Act Disclosure

The Freedom of Information Act (5 U.S.C. § 552) (FOIA) and the Department of Commerce’s implementing regulations at 15 C.F.R. part 4 set forth the rules and procedures to make requested material, information and records publicly available. Unless prohibited by law and to the extent permitted under FOIA, the information submitted on applications may be released in response to FOIA requests.

E. Restrictions Governing Making Grants to Corporations Convicted of Felony Criminal Violations and/or Unpaid Federal Tax Liabilities

Pursuant to sections 543 and 544 of Public Law 112-55, Commerce, Justice, Science and Related Agencies Appropriations Act, 2012, execution by an applicant of the Representation by Corporations Regarding a Unpaid Delinquent Tax Liability or a Felony Conviction Under Any Federal Law (Appendix H) will be required in a format requested by EDA before any award will be made under this FFO announcement.

F. Appendices to the FFO and MBDA Business Center Program Requirements Documents

The appendices and MBDA Business Center program documents listed below are incorporated by reference into this announcement. It is incumbent on all applicants to access and familiarize themselves with the information contained therein.

- Appendix A – Anticipated Funding Availability (FFO attachment)
- Appendix B – Estimated Performance Goals (FFO attachment)
- Appendix C – Performance Measures and Related Definitions (FFO attachment)
- Appendix D – Information Technology and Computer Requirements (FFO attachment)
- Appendix E – Center Training Requirements (FFO attachment)
- Appendix F – Sample Service Innovation Concepts (FFO attachment)
- Appendix G – Application Checklist (FFO attachment)
- Appendix H – Representation by Corporations Regarding a Unpaid Delinquent Tax Liability or a Felony Conviction Under Any Federal Law (FFO attachment)

Appendix A – Anticipated Funding Availability

| MBDA Business Center Location (State, City)* | Federal Funding Years 1-4 | Competition ID# |
|--|--------------------------------------|------------------------|
| One of the following cities: Bridgeport, Connecticut Buffalo, New York Green Bay, Wisconsin Jackson, Mississippi Milwaukee, Wisconsin Portland, Oregon | \$255,000 | 2431373 |

*Applicants are required to choose one location from among the specific cities listed. Only one location may be proposed within an application. The applicant must clearly identify which location was chosen. Applicants are limited to submitting one application per Competition ID.

Appendix B – Estimated Performance Goals

The following tables provide the estimated performance requirements for the proposed MBDA Business Center. Applicants should propose performance goals, for each year and in each category, based on those listed below. Proposed goals that differ, either higher or lower, from those listed below require justification.

In preparing applications in response to this Announcement, please note the following:

1. The “Total Value of Awarded Transactions” is the sum of the “Dollar Value of Awarded Contracts and Procurements” and the “Dollar Value of Awarded Financial Transactions.” Applicants must propose specific performance goals for each of these two sub-categories within the following parameters: (a) the “Dollar Value of Awarded Contracts and Procurements” must be no more than 70% and no less than 30% of the “Total Value of Awarded Transactions;” and (b) the “Dollar Value of Awarded Financial Transactions” must be no less than 30% and no more than 70% of the “Total Value of Awarded Transactions.” The combined total of these two sub-categories must equal 100% of the “Total Value of Awarded Transactions.”
2. The “Total Number of Awarded Transactions” is the sum of the “Number of Awarded Contracts and Procurements” and the “Number of Awarded Financial Transactions.” Applicants must propose specific performance goals for each of these two sub-categories within the following parameters: (a) the “Number of Awarded Contracts and Procurements” must be no more than 70% and no less than 30% of the “Total Number of Awarded Transactions;” and (b) the “Number of Awarded Financial Transactions” must be no less than 30% and no more than 70% of the “Total Number of Awarded Transactions.” The combined total of these two sub-categories must equal 100% of the “Total Number of Awarded Transactions.”

Estimated Performance Goals

| | Year 1 | Year 2 | Years 3 - 4 |
|--|-----------------------------|-----------------------------|-----------------------------|
| Number of Jobs Created | 60 | 70 | 80 |
| Number of Jobs Retained | 60 | 70 | 80 |
| Total Value of Awarded Transactions | Listed by location below | Listed by location below | Listed by location below |
| Total Number of Awarded Transactions | 40 | 50 | 60 |
| Dollar value of Awarded Contracts and Procurements | To be proposed by applicant | To be proposed by applicant | To be proposed by applicant |
| Number of Awarded Contracts and Procurements | To be proposed by applicant | To be proposed by applicant | To be proposed by applicant |
| Dollar value of Awarded Financial Transactions | To be proposed by applicant | To be proposed by applicant | To be proposed by applicant |
| Number of Awarded Financial Transactions | To be proposed by applicant | To be proposed by applicant | To be proposed by applicant |
| Number of Export Transactions Facilitated | 2 | 3 | 5 |
| Number of Strategic Transactions Facilitated | 2 | 3 | 5 |
| Number of Native American Clients Served | 55 | 60 | 65 |
| Number of Minority Business Enterprise Referrals | 55 | 60 | 65 |

Estimated Total Value of Awarded Transactions Goal

| Center Location (State, City) | Awarded Transactions Year 1 | Awarded Transactions Year 2 | Awarded Transactions Years 3-4 |
|--|--|--|---|
| One of the following cities: Bridgeport, Connecticut Buffalo, New York Green Bay, Wisconsin Jackson, Mississippi Milwaukee, Wisconsin Portland, Oregon | \$60,000,000 | \$65,000,000 | \$70,000,000 |

Appendix C
Performance Measures and Related Definitions

A. Performance Measures and Bonus Points

In accordance with 15 CFR Parts 14 and 24, the award recipient (operator) will be responsible for the effective management of all functions and activities supported by the financial assistance award. Additionally, the project operator is required to report to MBDA on the attainment of program performance goals twice during each program year. A Semi-Annual Progress Report is due forty-five (45) days after the end of the first six months (first semi-annual period) of each year. The project operator shall also provide a comprehensive Year-End Progress Report on the accomplishments and overall operations of the project. The Year-End Progress Report is due forty-five (45) days after the end of the funding year. All performance reporting is conducted electronically via MBDA’s Internet portal. The evaluation criteria and weighted-value for measuring project performance on an ongoing basis are as follows:

| Performance Measure | Performance Points (at 100% Goal Achievement Level) | Performance Points (at 150% Goal Achievement Level - Maximum) |
|---|--|--|
| Number of Jobs Created | 15 | 22.5 |
| Number of Jobs Retained | 5 | 7.5 |
| Dollar Value of Awarded Contracts and Procurements | 20 | 30 |
| Number of Awarded Contracts and Procurements | 5 | 7.5 |
| Dollar Value of Awarded Financial Transactions | 15 | 22.5 |
| Number of Awarded Financial Transactions | 5 | 7.5 |
| Number of Native American Clients Served | 10 | 15 |
| Number of Export Transactions Facilitated | 5 | 7.5 |
| Number of Strategic Transactions Facilitated | 5 | 7.5 |
| MBE Referrals | 5 | 7.5 |
| Management Assessment | 5 | 5 |
| Promotion of MBDA | 5 | 5 |

| Bonus Points | | Bonus Points (Maximum) |
|--|------------|---|
| Bonus Points: - MBDA Special Initiatives - Collaboration with MBDA - B2B Events Completed | | 15 (total available) (1 point per item, 5 total available) (1 point per item, 5 total available) (1 point per item, 5 total available) |
| Total Points | 100 points | 160 maximum points |

The estimated performance goals required for the above performance measures are set forth in Appendix B, “Estimated Performance Goals by Center Location,” of the Federal Funding Opportunity (FFO) announcement. The estimated performance goals are listed on an annual basis by MBDA and should be broken out into quarterly increments by the applicant in its proposal.

MBDA encourages and rewards high achievement levels. Up to 150% of the maximum allowable points for most performance measures will be awarded, based on the extent to which the MBDA Business Center exceeds the minimum performance goal for the identified category. For example, if the minimum performance goal for the Dollar Value of Awarded Contracts is \$70 million and the center achieves \$105 million in this category, the project operator will receive 30 points. Alternatively, if the MBDA Business Center were to achieve \$110 million in this category, the operator would be limited by the 150% threshold and receive 30 points.

Under “Bonus Points,” a project operator may earn up to 15 additional points in each program year for (a) participating in special initiatives undertaken by MBDA; (b) collaborating with MBDA staff for the benefit of MBE clients; and (c) organizing and completing business-to-business events.

The MBDA Business Center is required to utilize, in a good faith effort, all of its resources to achieve the stated goals. **Should the MBDA Business Center exceed its performance requirements prior to the end of a funding period, the center is expected to maintain operations at full strength and continue to provide services and reach greater performance outcomes.**

MBDA views the project operator of the center as a cooperative partner and the MBDA Business Center collaborators jointly working with MBDA to serve the minority community. The staff of the MBDA Business Center is seen as working in partnership with MBDA, communicating the mission and values of the Agency to the minority business community. Thus, high achievement in any one performance measure cannot excuse failure to reach other goals as stated in this Appendix to the FFO. Failure to satisfy minimal goals in other performance elements may result in termination of the award, notwithstanding high achievement in any particular performance measure.

In order for a reported outcome to be considered and counted towards the center’s goal, the outcome must have a link to the MBDA Business Center services. A “link” is defined as specific actions provided by the Center to the client for a specific objective (*e.g.*, loan packaging services resulting in an approved loan, bid matching services resulting in the client securing a contract, managerial consulting focused on increasing productivity resulting in jobs retained). The center may also receive credit towards a goal generated through the assistance of a strategic partner or in collaboration with other MBDA funded projects and staff. Strategic partner or collaborative-related outcomes must have a link to MBDA Business Center services.

B. Definitions

1. Number of Jobs Created – The number of new full time and/or part time employment opportunities reported on the client’s payroll during the funding year. Persons on paid sick leave, paid holiday and paid vacations are included as employees, as are salaried officers and executives of corporations. However, proprietors and partners of unincorporated businesses are not considered employees under this definition.
2. Number of Jobs Retained – The number of existing full time and/or part time employee positions retained and reported on the client’s payroll during the funding year. Job retention pertains to maintaining the status quo of persons employed by the client in lieu of subjective and objective decisions made by the client to reduce its work force due to economic conditions, lack of capital, failure to secure necessary contracts and/or sales. Persons on paid sick leave, paid holiday and paid vacations are included as employees, as are salaried officers and executives of corporations. However, proprietors and partners of unincorporated businesses are not considered employees under this definition.
3. Dollar Value of Awarded Contracts and Procurements – This represents the total dollar value of successfully awarded contracts and/or the total principal value of executed sales/delivery contracts of services/products/intellectual rights and/or other binding financial considerations secured by clients of the project, with the assistance of project staff.

For purposes of this performance element, Dollar Value of Awarded Contracts and Procurements are those transactions which have a specific dollar value, and which produce a commercial benefit for the client firm.

MBDA recognizes that the financial obligations evidenced by these transactions may be long-term, and require the delivery of goods and services over an extended period. In some cases, the agreements may have been awarded as indefinite demand indefinite quantity. Consequently, it is not necessary that the funds or other financial value specified under the agreements have actually changed hands for the project operator to receive credit. In the case of multi-year and multiple-year awards (base and option years), the full contract value, including option years, can be claimed in the year the contract was signed. Non-single year contracts shall require the MBDA Business Center to communicate with the client, obtain proof of awards that were let on or prior to the end of the project award period and to conduct an update the MBDA performance system.

4. Number of Contracts – The number of awarded contracts and other binding procurement awards secured by client firms.
5. Dollar Value of Awarded Financial Transactions – The total principal value of approved loans, equity financings, bonds, leases (property and equipment), assets

under management or other binding financial agreements secured by clients of the project, with the assistance of MBDA Business Center staff. For purposes of this performance element, eligible financial transactions are those that have a specific dollar value, and which expand the client's capital base/operations, or produce some other direct commercial benefit for client firms.

6. Number of Financial Transactions – The number of successful financial transactions secured by client firms.
7. Number of Native American Clients Served – The actual number of Native American clients served in a funding period. Clients are defined as those MBEs that have registered with the MBDA Business Center and completed a written engagement for specific services. Clients may be counted only once during the program year. Clients from a prior program year may be counted in a subsequent program year if continued service provision to said clients is documented.
8. Number of Export Transactions Facilitated – The number of global contract opportunities and export financing transactions secured by client firms as a result of direct MBDA Business Center activity related to international trade assistance.
9. Number of Strategic Transactions Facilitated – The number of awarded transactions secured by clients that included successful MBDA Business Center facilitation of joint ventures, teaming arrangements, and/or the number of mergers and acquisitions brokered on behalf of clients by the center. MBDA is seeking to build MBE capacity through (1) the establishment of competitive teams for federal/state/local government and private sector contracting opportunities, and (2) the promotion of mergers and acquisitions.
10. Number of Minority Business Enterprise (MBE) Referrals – The number of referrals made by the center to MBEs seeking assistance that is outside the scope of MBDA Business Center program services. Referrals may be made to strategic partners or other external service providers able to provide services that are relevant to the MBE.
11. Management Assessment – MBDA's evaluation of the overall management of the MBDA Business Center project, based on the Agency's internal review of the project's operations. The management assessment focuses on such areas as the development of written service engagements and work plans; proper staffing; adherence to scheduled work hours; recordkeeping; successful completion of Agency training; customer relationship management, maintenance of strategic partnerships; market promotion and any other areas which MBDA may deem to be relevant in determining the overall quality of the project's operations. An operator may also lose up to two points from the assessment if the MBDA Business Center staff fails to participate in the required training credit hours.
12. Promotion of MBDA – The extent to which MBDA Business Centers meet and exceed the requirements for communication of the mission and objectives of MBDA within the business and government community.

13. Performance Bonus - The MBDA Business Center may earn up to a maximum of 15 points in any funding period as follows:
- a. Participation in and Successful Execution of MBDA Special Initiatives – On occasion, MBDA may issue a request for MBDA Business Center participation on special Agency and/or Department of Commerce initiatives. The center may be asked and/or instructed to support MBDA in these special efforts. MBDA shall reward the MBDA Business Center by allocating up to one (1) bonus point per event, for a maximum of (5) five points. MBDA Special Initiatives shall be formally announced to the program as a whole, in further detail, and all MBDA Business Centers will have an opportunity to participate.
 - b. Collaboration with MBDA – The MBDA Business Center program is a component of MBDA’s overall portfolio of minority business assistance services. To further encourage MBDA Business Center collaboration with the Agency in generating outcomes for clients, MBDA will award up to one (1) bonus point per client successfully assisted in partnership with MBDA staff, for a maximum of five (5) points.
 - c. Business to Business (B2B) Events Completed – B2B events are a cost-effective and convenient mechanism for matching vetted MBEs with interested purchasing officials from the private and public sectors. This activity involves identifying the business needs of all parties and ensuring that all matchmaking appointments are qualified and mutually beneficial. MBDA will award up to one (1) bonus point per B2B event successfully executed, for a maximum of five (5) points.
14. Brokering – This represents one of the services provided by the MBDA Business Center to its clients. “Brokering” is defined as the act of bringing buyers and sellers together for the purpose of executing contracts, financings or other agreements leading to an economic benefit.
15. Deal Making – This represents one of the services provided by the MBDA Business Center to its clients. It involves crafting complex deals anticipated to have a significant impact on the size, scale and capacity of a client firm. This activity includes sourcing, negotiating and assisting in completing high value, sustainable deals for MBEs.
16. Harvesting – Harvesting is prohibited under the MBDA Business Center program. “Harvesting” is defined as any action by which an MBDA Business Center takes credit for a contract or financial transaction without having performed some work that linked the center to the client and that helped the client obtain the contract or complete the financial transaction. MBDA Business Centers found to employ the practice of harvesting are subject to having their awards with MBDA terminated for cause.

Please note that program performance related definitions may be subject to change based on Department of Commerce imperatives, quality assessment reviews, and/or Federal audit findings.

Additional program definitions and operating procedures are set forth in the Program Standards Handbook (Handbook), which will be incorporated by reference into each MBDA Business Center award and are applicable to each project operator.

Appendix D
Information Technology and Computer Requirements

MBDA requires that all project operators meet certain requirements related to the acquisition, installation, configuration, maintenance and security of information technology (IT) assets *within sixty (60) days after receipt of the award*, in order to ensure a seamless and productive interface between and among all grant recipients, MBEs, the MBDA Federal IT system and the public. These required assets and their configuration are hereinafter referred to as the “enterprise.” The basic components of the enterprise are the desktop workstations, the server, local area network (LAN) components and a connection to the Internet. Refer to the MBDA Web Portal for current policies and guidelines around operational requirements.

At a minimum, the project operator shall provide one (1) desktop computer for the exclusive use of each employee delivering minority business assistance to the public under an award from MBDA. All desktop computers shall be connected to a client/server network using an Ethernet protocol enabling communication with all workstations on the project operator’s network. The server shall have a constant, high-speed broadband Internet connection. The project operator shall ensure that each of its employees, to include management, administrative personnel, contractors, full-time, part-time, and non-paid (volunteer) staff have a unique electronic mail (email) address that is available to the public. The project operator shall maintain appropriate computer and network security precautions during all periods of funding by MBDA. All IT requirements, as described herein, shall be met within sixty (60) calendar days after the award.

A project operator’s failure to adhere to the MBDA Business Center computer requirements as set forth herein may result in enforcement action under the award, including but not limited to the withholding of award payments until full compliance is reached.

A. Network Design

At all locations where services are delivered to the eligible the eligible MBEs or clients as defined by Executive Order 11625, the project operator shall operate a Client Server Network that provides shared disk drives and the setup of print queues for a network printer(s) (if individual printers are not provided) for each staff person delivering services to the eligible public. MBDA shall, from time to time, specify certain configurations of the enterprise hardware and software to meet interface requirements.

Currently, MBDA recommends servers using an operating system that is fully compatible with Microsoft Windows 2003 (or higher). Any server providing principal service to the desktops shall contain 200 or more gigabytes (GB) of hard drive space using two or more disks configured appropriately to ensure data retention should one disk fail. At least one (1) Dual-Core Intel/AMD central processing unit (CPU) or any other server providing principal service to the desktops shall be used. Web servers, mail servers and/or servers maintained by a third party such as an Internet Service Provider (ISP) shall meet the minimum server specifications as stated herein.

B. Workstations

All computer systems shall not be more than five (5) calendar years old at the time of award and shall contain an Intel Cores Duo Processor or AMD class central processing unit (CPU), operating at speeds not less than 2.33 Gigahertz (GHz). Each desktop system shall contain a hard drive with a storage capacity of at least eighty (80) GB and 2 Gigabyte (GB) of RAM and a CD or DVD reader/writer. All workstations shall have installed an operating system fully compatible with Microsoft Windows XP Professional or higher Operating System, MS Office 2003 Professional or higher, Microsoft Internet Explorer 8 only, Anti-Virus software, software or hardware-based Firewall and Adobe Reader 8.1 or higher. Additionally, it is suggested that a full-page scanner, along with software fully compatible with Adobe Acrobat (Standard or Professional, 9.2 or higher) be installed on at least one workstation for the production of electronic document submissions. Workstations must also support all MBDA client specific specialty software loads/configurations identified by MBDA for the MBDA Business Center program.

C. Maintenance and Security

A network map (“as-built”) reflecting adherence to the computer and networking requirements set forth herein shall be maintained by the project operator for review by MBDA at any time. Each project operator shall designate and train one administrative person competent in the operation of an Operations System fully compatible with Windows 2003 network (or higher) and local area network (LAN) technology as described herein. From time to time, MBDA may require that certain software be loaded on servers and desktops. In any given year, the cost of this additional software may be \$300.00 per workstation and \$600.00 per server.

Every employee of the MBDA Business Center shall be assigned a unique username and password to access the network. Every employee shall be required to sign a written computer security agreement (a suggested format for the computer security agreement will be provided at the time of award and/or on the MBDA Portal [website]). Every manager, employee, and contractor and any other person given access to the computer system shall sign the security agreement and an original copy of the signed agreement shall be kept in the MBDA Business Center files. A photocopy of the signed agreement shall be submitted to MBDA, no later than thirty (30) days after receipt of the award. The original agreement shall be maintained on file by the project operator. All subsequent new hires and associations requiring access to the MBDA Business Center or MBDA systems shall read, understand, and sign the security agreement prior to issuance of a password. No employee shall have access to any MBDA system(s) without a signed security agreement on file at MBDA.

D. Web Site

The project operator shall support MBDA in maintaining accurate information pertaining to the MBDA Business Center on the MBDA Minority Business Internet Portal. MBDA Web standards may include, *but are not limited to the following*:

- A listing of the names of all managers and employees, the business and mailing address of the MBDA Business Center, business phone and fax numbers and email addresses of the

center and employees, a statement referencing the services available at the MBDA Business Center, the hours under which the center operates, schedule of holiday and/or office closure

- For purposes of electronically directing clients to the appropriate MBDA Business Center staff, the MBDA web site shall also contain a short biographical statement for each employee of the center including management, contractors, part-time, full time, and non-paid (volunteer) personnel, providing services directly to the eligible public under an award from MBDA. This biographical statement shall contain:
 - the full name of the employee, and
 - a brief description of the expertise of the employee to include academic degrees, certifications and any other pertinent information with respect to that employee's qualifications to deliver minority business assistance services to eligible members of the public.
- The project operator will also be responsible for updating the MBDA Web Portal and providing notification to the MBDA Program Manager of any changes in operations such as location, contact information or otherwise within two weeks of the change.

E. Time for Compliance Regarding IT Requirements

Within sixty (60) days after receipt of the award, the project operator shall report via email to the Federal Program Officer and the MBDA CIO of the Office of Information Technology, Research and Innovation and to the MBDA Program Manager that he/she has complied with all technical requirements as specified herein (a checklist will be provided at the Post Award Conference). Within thirty (30) days after receipt of the award, the project operator shall report the name, contact telephone number and email address of the Project Director, Network or System Administrator.

F. Performance System

All required performance reporting to MBDA shall be conducted via the Internet using the Performance system to be found at a secure web site (www.mbda.gov).

G. Data Integrity

The project operator shall take the necessary steps to ensure that all data entered into MBDA systems, and systems managed by the project operator in support of the award, or by any employee of the project operator is verified, accurate and timely.

Appendix E
Center Training Requirements

MBDA has designed a comprehensive training program for funded projects. The identified MBDA Business Center staff shall be required to participate in the following training sessions (subject to the availability of the training as determined by MBDA):

| Training Event | Delivery Mode | Operator | Project Director | Consultant(s) |
|--|---------------------------|-----------------|-------------------------|----------------------|
| 1. Post-Award Conference | In Person | Mandatory | Mandatory | N/A |
| 2. Program Review and Orientation | Teleconference | Mandatory | Mandatory | Mandatory |
| 3. Grants Online System | Webinar | Mandatory | Mandatory | N/A |
| 4. Customer Relationship Management/Performance System | Webinar | Optional | Mandatory | Mandatory |
| 5. Partner.net System | Webinar | Optional | Mandatory | Mandatory |
| 6. BusinessUSA Orientation | Teleconference | Mandatory | Mandatory | Mandatory |
| 7. Business Development Specialist Collaboration | Teleconference | Optional | Mandatory | Optional |
| 8. Quarterly "Town Hall" Teleconference | Teleconference or Webinar | Mandatory** | Mandatory** | N/A |
| 9. MBDA National Conference | In-Person Attendance | Optional | Mandatory | Mandatory |
| 10. MBDA National MED-Week | In-Person Attendance | Mandatory** | Mandatory** | Optional |
| 11. Coaching Program | Teleconference or Webinar | Optional | Optional | Optional |

*** Note, attendance required for either, not both.*

If the MBDA Business Center staff fails to participate in the required training indicated above, the project shall lose a maximum of two (2) points from the performance assessment score during each evaluation period. MBDA Business Center personnel experience (i.e. work and educational) shall not be accepted as substitutions for attending the trainings. Descriptions of each training session follow:

A. Items

1. **Post-Award Conference:** This session, held once in the first year, is designed to review the grant award and key issues pertaining to the successful management of the award. Failure to attend shall designate the project operator as non-compliant with the award and may result in award termination. A change in project director will require the project director to attend a post-award conference as soon as practicable following the commencement of his/her duties.
2. **Program Review and Orientation:** This session, held once in the first year, will focus on understanding key aspects of MBDA Business Center operations and procedures. This training will not require travel and may be conducted over a series of days by teleconference or by MBDA staff attending the center in person.
3. **Grants Online System Orientation:** This session, held once in the first year, is designed to review basic access, navigation and understanding of the Grants Online (GOL) system. The GOL system is utilized by MBDA and the Grants Office to manage all financial assistance awards administered by the Agency. This training will be conducted via webinar and will not require travel.
4. **Customer Relationship Management/Performance System Orientation:** This training is designed to review basic access, navigation and understanding of the MBDA Customer Relationship Management (CRM) system. The CRM system is a tool developed to enhance the client intake and relationship management processes across the Agency. The system is also used to capture and track Center performance. This training will be conducted via webinar and will not require travel.
5. **Partner.Net System Orientation:** This training is designed to review basic access, navigation and understanding of the MBDA Partner.Net system. With an emphasis on social networking, MBDA Partner.Net provides simple and secure online workspaces to collaborate and share information with MBDA and funded centers staff on procurement opportunities, client needs, best practices, strategic partnering, financing, marketing and other topics. This training will be conducted via webinar and will not require travel.
6. **BusinessUSA Orientation:** This training is designed to provide a functional review of BusinessUSA services and the MBDA Business Center requirements. The training will be conducted at the onset of the project award and possible follow-up training sessions.
7. **Business Development Specialist Collaboration:** This session, held once in the first program year, is designed to foster the flow of communication and leveraging of resources and talent within the MBDA network. The cultivation of this collaborative environment is anticipated to expand the Agency's ability to deliver seamless and relevant services to benefit Native American, Alaska Native and MBE firms across the nation.

8. Quarterly “Town Hall” Teleconference: MBDA will conduct quarterly Town Hall Teleconferences with all funded centers to provide updates on upcoming events and trainings, system enhancements, policy developments, and to offer a forum for MBDA Business Center questions and feedback.

9. MBDA National Conference: This training is designed to review key Agency initiatives among all of its funded projects and MBDA staff. Specialized programmatic training is also offered at this event. The MBDA Business Center attendees shall be required to attend a formal meeting and/or training session conducted by the MBDA Office of Business Development. The National Conference is held once a year, depending on the availability of funds. The location of this event varies. However, the MBDA Business Center should anticipate travel related costs to this activity. This session is normally a 3-day event.

10. MBDA National MED Week: This is an annual program conducted in Washington, D.C. This program is the culmination of all MED Week celebrations. The event focuses on identifying new opportunities into marketplaces, business networking, key research, distribution of materials and reports for and about MBEs. MED Week also hosts a celebratory event and awards recognition of MBE clients that have made significant economic impact on a national level. The MBDA Business Center attendees shall be required to attend a formal meeting and/or training session conducted by the MBDA Office of Minority Entrepreneurship and Trade. This event is held once a year, depending on the availability of funds. The MBDA Business Center should anticipate travel related costs to this activity. This session is normally 1 to 3-day event.

11. Coaching Program: This program is designed to enhance skills in business training, counseling, financing, and procurement opportunities. This training is designed for the staff that provides consulting services to clients. MBDA anticipates this training will be conducted in multiple sessions throughout the first funding period. Training will be conducted at the MBDA Business Center or by teleconference. MBDA may conduct training in the second and possibly in the third year of operation based on availability of funding.

Appendix F **Sample Service Innovation Concepts***

THE MBDA BUSINESS CENTER ANGEL FUND STRATEGY

This concept focuses on organizing various angel investors with the primary objective of supporting minority businesses with mezzanine and second round financing.

THE MBDA BUSINESS CENTER CAPACITY BUILDING INSTITUTE

This concept provides capacity building services to the fastest growing demographic of firms across America – minority business enterprises (MBEs). The Institute is specifically designed to increase MBE capacity, scale and scope so they become more competitive. The goal is to develop growth, infrastructure, and marketing strategies to ensure MBE suppliers are poised to sustain their business into the future. Participants in the Institute receive an initial assessment to determine their needs and measured for progress. A partnership with other public and private sector stakeholders will ensure buy-in to support the success of the Institute. The Institute targets SGI firms with \$1 million or more in annual revenues and those with high growth potential. The Institute also targets business segments based on the industry drivers and the forecasted growth industries in a particular market.

THE MBDA BUSINESS CENTER CHAMBER OF COMMERCE ROUNDTABLE

This concept organizes a minority business roundtable in their area of operation that includes the following stakeholders: a representative from the respective MBDA National Enterprise Center; minority chambers of commerce and trade associations; city, county and state minority business programs; and other private and public sector organizations involved in advocacy and minority business development. The roundtable collaborates to support initiatives that impact the minority business community. The roundtable also plays a major role in assisting the MBDA Business Center in meeting their goals through formalized strategic partnerships, information sharing, and event/program support and promotion.

THE MBDA BUSINESS CENTER NETWORK DEVELOPMENT

This concept establishes networking groups and connectivity among MBEs. The network focuses on the MBE community based on function, such as industry, customer, size, or market. Services provided include: targeted procurement events, networking events, collaboration assistance (*e.g.*, joint ventures, mergers and acquisitions, strategic alliances), training/certification, and purchasing groups. Possible groups include: minority information technology firms, multicultural export firms, federal vendors consortium, food industry vendors, and/or MBE \$20M Roundtable.

THE MBDA BUSINESS CENTER UNDERWRITING INITIATIVE

This concept provides a lending underwriting process for loan processing by professional and experienced underwriters. The underwriting initiative maintains a committee of strategic

partners, including traditional and non-traditional lenders, venture capitalists, angel investors, credit unions and the like, that will serve as a lending board. The underwriting initiative provides MBEs with an objective “underwriting” process that can utilize prior to completing a loan package and submitting the loan application to a lender. Preparing the preliminary and financial due diligence process (underwriting) will provide the MBE with a competitive advantage in the approval loan process.

**The preceding examples are only concepts and must be fully developed and articulated, including processes and anticipated results.*

Appendix G
Application Checklist

- ___ Cover Page
- ___ Table of Contents
- ___ Program Narrative

- ___ Applicant Capability
 - ___ Organizational background and knowledge of community
 - ___ Mission alignment
 - ___ Access to markets
 - ___ Access to capital
 - ___ Business consulting to targeted clients, key staff

- ___ Resources
 - ___ Partners
 - ___ Advisory Committee
 - ___ Resources
 - ___ Location/Equipment

- ___ Techniques and Methodologies*
 - ___ Performance measures
 - ___ Start-up phase
 - ___ Work requirement execution plan

- ___ Required Attachments
 - ___ Applicant organizational chart
 - ___ Proposed MBDA Business Center program organizational chart
 - ___ Project Director resume, professional references (three) and letter of commitment (if applicable)
 - ___ Resumes of other key staff (if applicable)
 - ___ Position descriptions, qualification requirements and salary ranges
 - ___ Copy of State-issued Certificate of Good Standing, registered Articles of Incorporation, by-laws, IRS 501 (c)(3) tax-exempt letter, authorizing legislation or other evidence of applicant legal entity
 - ___ Original Letter(s) of Commitment from strategic partners and other resources
 - ___ Quarterly breakdown of performance goals (one chart for each year)
 - ___ Staff allocation chart (one for each year, see example)
 - ___ Listing of MBDA Business Center operating hours and all anticipated holiday closures (one for each year)

- ___ Budget Narrative
 - ___ Proposed Detailed Budget (one for each funding period, total of 4)
 - ___ Proposed Budget Narrative (one for each funding period, total of 4)
 - ___ Original Letters of Commitment from Third Party In-Kind Contributors (if applicable)

- ___ Service Innovation - Optional
 - ___ Proposed service innovation beyond required MBDA Business Center services
 - ___ Plan to fully execute innovative service

- ___ Standard Forms
 - ___ SF – 424 (one set to cover all funding periods)
 - ___ SF – 424 A (one for each funding period, total of 5 sets)
 - ___ SF – 424 B
 - ___ SF – LLL

- ___ Commerce Department Forms
 - ___ CD 511

*Multi-year awards require the applicant to acknowledge what services will be provided for each program year. The applicant may provide a summary statement indicating the proposed techniques and methodologies will remain consistent for the entire funding period.

Appendix H
Representation by Corporations Regarding an Unpaid Delinquent Tax Liability or a Felony Conviction Under Any Federal Law

Sections 543 and 544 of Public Law 112-55 Commerce, Justice, Science, and Related Agencies Appropriations Act 2012, Title V (General Provisions) (the Act) prohibit funds made available by the Act from being used to enter into a cooperative agreement with or make a grant to any corporation that:

- a) Was convicted of a felony criminal violation under any Federal law within the preceding 24 months, unless any agency has considered suspension or debarment of the corporation and made a determination that this further action is not necessary to protect the interest of the Government; **and/or,**
- b) has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, unless an agency has considered suspension or debarment of the corporation and made a determination that this further action is not necessary to protect the interest of the Government.

The Applicant represents that:

It is or it is not a corporation that was convicted of a felony criminal violation under a Federal law within the preceding 24 months.

It is or it is not a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that not being paid in a timely manner pursuant to an agreements with the authority responsible for collecting the tax liability.
